PROGRAM FOR CLOSING OF SCHOOL ANNOUNCED

R. E. DICKENSON FROM S. M. U.
TO DELIVER ADDRESS
HERE

The following calendar has been announced for the closing exercises of the Public Schools:

- by the music pupils of George Fairleigh, assisted by the Philharmonic Orchestra and the Cameron Junior Band.

Friday evening, May 20, at 8 o'clock the piano pupils of Mrs. Royal P. Jeter will be presented in their annual recital.

The pupils of Mr. Robert Smith will be heard in recital Monday and Tuesday evenings, May 23 and 24, at 8 o'clock.

Friday evening, May 27, "Campus Follies" will be presented by the Senior class with the assistance of the Bluebird Choral Club, under the direction of Miss Eloise Rogers.

The Baccalaureate sermon will be delivered at the First Methodist church, Sunday evening, May 29 by Dr. R. E. Dickenson, chaplain of the school of Theology of Southern Methodist University. The Junior Class will have charge of the musical program on this occasion.

The graduation exercises for the pupils of the seventh grade will be held in the Yoe High School auditorium Monday morning, May 30, at 9 o'clock.

The graduation exercises of the class of 1927, of the C. H. Yoe High School will be held in the High School auditorium at 8 o'clock, Monday evening. The program in full for these exercises will appear in next week's papers together with the names of the young men and young women who are to receive diplomas at that time.

R. E. Dickenson, chaplain of the school of Theology of Southern Methodist University, will deliver the Baccalaureate sermon to the class of 1927 of the C. H. Yoe High School, Sunday evening, May 29, at the First Methodist church.

Dr. Dickenson is one of the prominent ministers of the South. He was formerly pastor in Denver, Colo., and has for a number of years been identified with Southern Methodist University.

LIONS HEAR BUSINESS WOMAN IN ADDRESS

MRS. LEE J. ROUNDTREE TALKS
AT LADIES NIGHT PRO-
GRAM HERE

Mrs. Lee J. Roundtree, editor of the Bryan Daily Eagle, was the principal speaker at the banquet held by the Lions Club Tuesday night.

The meeting was held as the annual Ladies Night meeting for the club. A number of artists from Bryan were on the program and they were presented by Moulton Cobb, assistant to Mrs. Roundtree. Mr. Cobb was toastmaster.

Paul Webb, president, welcomed the ladies and the visitors.

Mrs. Roundtree took for her subject, "Success." Her address was applauded as one of the best heard in the history of the club programs.

A feature of the program was the report rendered by Wm. Cobb on the state convention at McAllen.

Others on the program were R. C. Irvin, musical numbers; Miss Katherine Higgs, vocal solo; Miss Katherine Hutton, piano solo.

The banquet was prepared and served by the Friendly Bible Class. The table was T-shaped centered at intervals with golden hued nasturtiums tied with purple in crystal bowls. Guests found their places by place cards.

A three course dinner was faultlessly served: Sliced pineapple salad on lettuce leaf with dressing, pressed chicken, French peas in patties, sweet peach pickles, dressed eggs, hot rolls, butter, ice tea with lemon and mint and banana pie.

Music Recital

The piano pupils of Robert Smith will be presented in a recital at the Yoe High School auditorium Monday and Tuesday evening, May 23 and 24.

YOUR GOVERNMENT

WHAT THE CITY COUNCIL

IS DOING

City Street commissioner Logan Green has been instructed by the council to trim trees hanging over the street. A complaint was brought by T. S. Henderson, Jr., from the commercial club. It is said that these tree tops are obstructing traffic and damaging car tops. It is pointed out that no trees are to be damaged in any way and the co-operation of the people is asked. Only the small limbs that hang over the streets will be cut back. Mr. Green was congratulated by Mr. Henderson and others for the fine work he is doing on the streets.

Right to enter the park to maintain light lines and poles for lighting the park was granted the Texas Power & Light Company. The city reserves the right to control placing of these light poles and prohibits the company from running other service lines across the park.

Cameron's tall men will no longer have to stoop their way under low hanging signs. B. Slocumb, city marshal, has complied with the request of the council to have all these signs placed at higher degrees.

The city heard a petition signed by residents living southeast of the Santa Fe and on the street leading to the river and Lawless Green field, asking for pure water. It developed that these people have been getting their water supply from the pump line from the river and the water is not always satisfactory. The council instructed the secretary to notify the company that in compliance with the contract, the company must lay mains to this section to supply these people with the same water given the remainder of the city from the stand pipe. The city will also place fire hydrants in that section of the city as well as improve the streets and give fire protection.

Mayor Davis says that the city will insist on an immediate compliance with this request as it is unfair and unjust to the people who reside in that section of the city to be denied the advantage of the fine water supply advanced in other sections of the city.

J. C. Joseph, secretary, presented a statement for the April expenditures, showing a decidedly economical administration of the government. Mr. Joseph will issue a complete and detailed financial statement to the people as soon as the auditors have completed their work. The city hopes to end this fiscal year with a surplus of money having paid its obligations in January of this year.

R. D. Brown, former secretary of the city, who has been ill for the past several months and unable to take care of the duties of this office, has returned to his home from Dallas. The many friends of Mr. Brown were pleased to note his appearance on the streets last week and they trust that his health will be completely restored in the near future. Mr. Brown will again take over this office as soon as he has recovered.

The city council will call an election at its next regular meeting on the first Tuesday to elect an alderman to succeed J. C. Joseph who resigned to become secretary.

Alderman Sam McDermott was absent from the meeting and could not make a report on the matter of a reduced minimum charge for lights in the city, referred to his committee at the previous meeting.

Mayor Davis hopes to complete his appointments at the next meeting.

Alderman E. L. Brod is interested in sanitary work and is proving himself a capable member of the council along this and other lines of endeavor.

Mr. and Mrs. J. M. Dickens and children and Miss Edwardine Lovick spent last week end visiting friends in San Marcos and Kyle.

BOY SCOUT MOVEMENT GETS UNDER WAY HERE

CHURCHES COMBINE TO AID
BETTER PROGRAM FOR
CAMERON BOYS

Organization of a local council and the forming of three troops of Boy Scouts was completed at a meeting held at 2:30 o'clock Sunday afternoon at the Methodist church.

Rev. J. P. Love is president of the council and F. R. Dunlap is vice-president. C. E. Porterfield was elected secretary.

The scout masters and their assistants are: Larry Hackebell, scout master and Joe Denson, assistant for the Baptist church; Joe Matula, scout master and Henry Dryer, assistant, for the Methodist church; G. N. Rodeney, scout-master and Gene Crowell, assistant, for the Episcopal, Presbyterian and Christian churches.

The Scout troops are numbered as follows: Methodist No. 1; Baptist No. 2; other churches mentioned No. 3.

Joe Matula reports the enlistment of a number of boys already. Other scout masters are at work enlisting their boys. When the troops are completed charters will be secured.

Those present for the meeting going as delegates from the various churches are as follows: Rev. J. P. Love, Henry Dryer, T. A. Fisher, C. S. Terry, J. B. White, B. T. Harris, W. B. Skelton, John E. Mangum, G. W. Rodeney, Rev. Wallace Jones, Larry Hackebell, F. R. Dunlap, Joe Matula and C. E. Porterfield.

The council will be composed of the men named by the churches and will act as a governing body for the entire movement.

The council authorized the following committee to take under advisement the renting of a building for a permanent meeting place for the council and the troops: J. B. White, chairman; F. R. Dunlap and B. T. Harris. On suggestion of C. S. Terry and T. A. Fisher, the committee will investigate the feasibility of erecting a cabin in a suitable location near the city for the scout home.

The council considered and voted for a summer camp for the boys and the following committee including the scout masters was appointed to arrange for the summer camp: C. S. Terry, chairman; W. B. Skelton, Joe Matula, G. N. Rodeney and Larry Hackebell.

Mr. Porterfield as secretary was instructed to furnish the press with all items of interest concerning the boy scout program.

The men named on the council will

WHY BUSINESS WOMEN SPONSORED PRIZE GARDEN CONTEST

By ROSE RISCHAR

President Business and Professional Women's Club

Just as essential as sunlight is to life and growth on this earth, so vegetation is essential to sustain and promote life and growth.

The body should be considered as a chemical exchange and in order to keep it in good condition it must be supplied with a variety of foods which contain such substitutes as carbohydrates, fats, proteins, mineral salts, water and vitamins.

Sunlight gives vegetation chlorophyll which is its most important constituent and a very necessary requirement of the body. It is by neglecting to furnish to the body the many important substances contained in such vegetables as spinach, lettuce, potatoes and fruits such as oranges and lemons that bring about pellagra, scurvy and kindred ailments. People are often unaware that they themselves are victims of these diseases.

Improper nourishment creates a condition of the body that reacts on the mind and many people find themselves unhappy and discontented, this mental state being due solely to a physical condition, the cells of the body are dissatisfied.

A weakened body with dissatisfied cells is an easy prey to infectious diseases and is more liable to the various accidents which could be prevented if the body and mind were in a normal state.

KNIGHTS PYTHIAS WIN FROM LIONS TUESDAY

BLACK CAPS ROUT KING OF
BEASTS IN THRILLING
GAME HERE

Skipper Joslin's Mailed Knights won a 6 to 4 victory over the Lions Tuesday and with the exception of the first inning the game was one of the best played exhibitions seen at any time in the history of the city league.

Jake Posey, the black cap string bean, pumped his great right arm for seven innings and the Lions were tamed. Jake pitched the best game of his career against the King of Beasts and the lodge boys are counting on him to cop the flag this year.

Gib Tindall, the ponderous, pitched well for the Lions and but for timely hitting in the fifth frame might have tied up the count with his gallant opponent. Tindall was effective at all times save in the fifth when the black caps bunched hits on him to pad out the lead.

Joslin changed his infield because of the absence of Robert McCown from short. Neighbors who let in three runs in the first through errors at second came back to play a good game. Cy Perkins for the Lions was responsible for the first inning rally of the black caps but after that played a good game at the hot corner.

Jackson at first was a tower of strength to the Lions. Burke and Perkins, Neighbors and Denson hit well as did Jackson, Haygood and Posey.

The game was for seven innings. The race is on in earnest now and Friday the North End team and the Schuhmacher team will play and neither has been defeated.

Cameron Bass Club Barbecue Tonight

President Levy of the Cameron Bass Club announces an old fashioned barbecue at the Hefley Lake beginning at six o'clock Thursday evening.

The club is to call a special meeting the first business session that has been held in several months.

Members who are married are to bring their families and single members are requested to bring a guest.

Wives of the members are preparing the cats and club members are preparing the barbecue on the side. It will be an old fashioned barbecue and a good time.

serve permanently as a directing force for the movement and meetings will be held on call of the president.

KNIGHTS OF PYTHIAS RAISE FLOOD FUND

COMMITTEE NAMED TO AID IN
WORK OF RED CROSS IN
FLOOD AREA

The Order Knights of Pythias, composed of more than a million members will raise a special fund to meet the flood area of the Mississippi river. Increased demand for relief in the Richard S. Witte, supreme chancellor, Milwaukee, Wis., has issued a call to all lodges asking that contributions be made at once for the care of those in the flood area. Responding to the telegram sent to lodges, Chancellor Commander Jake Posey has appointed the following committee to receive and forward contributions of the local lodge: R. A. Triggs, Chairman, Erle K. Adrian, H. D. Keeling, R. Vest and Charlie Nabours.

Supreme Chancellor Witte in his message to the local membership said: "Loss resulting from overflow of the Mississippi River and tributaries is the greatest calamity in a generation. Thousands of members' homes are destroyed. Suffering is unparalleled. Issue an appeal at once to your lodge to give generously. Every member should contribute and thus prove that Pythianism is worthwhile. Send all contributions to Thomas D. Meares, supreme master of exchequer, Wilmington, N. C."

Commenting on the great destruction of property and loss of life in the flood area, Mr. Witte, said: "Our nation never before has suffered a greater catastrophe involving such a large number of citizens and such a wide area of rich agricultural territory and beautiful and thriving towns and cities. Hundreds of thousands of people are dependent upon the liberality of those in more fortunate circumstances. When the flood has receded and life is no longer in danger, these people will be dependent because they have lost their means of livelihood, with homes and business destroyed. Millions will be needed if the waters cease threatening life today. Poverty will continue for weeks and months and great suffering and want will prevail."

"Our order has always met the call for help," said Chancellor Commander Jake Posey. "In the Johnstown flood, we gave liberally. In the mine disaster of the West, our Order came forward with open purse, and in the storm stricken districts of Ohio and Indiana, two years ago, our Order was among the first to provide relief and send men to the field to administer aid. We should be ready to give largely for the need is great and besides thousands of our own Order who are facing this great tragedy, what we have to give will aid the Red Cross and other agencies in carrying on the work of saving lives and restoring a normal condition when the danger is past."

MAY GET NATURAL GAS FOR CAMERON SOON

COMMITTEE TO REPORT ON
FINDINGS WITH GAS
COMPANY

Cameron will have natural gas as an added public utility, in the belief of committeemen named by the club to investigate the proposition submitted by the Lone Star Gas Company.

The committee from the commercial club is as follows: J. D. Dobbins, F. S. Lesovsky, Giles L. Avriett and Paul Webb.

The committee is to go to Temple and confer with citizens there. Temple has recently completed signing up 1700 consumers and that city is to have natural gas. The committee, it is said will be ready to report at the next meeting.

It is estimated that Cameron will have to produce about 600 consumers before the gas company will lay its lines into the city. In the opinion of those in touch with the progress of the matter this can easily be done.

The club failed to get a quorum on Monday night and no meeting was held.

Born to Mr. and Mrs. E. B. Lovick on Mother's Day, May 8th, 1927, a boy named Robert Grayson Lovick.

MONROE FISHER SHOT AT TEMPLE WED.

SON OF LATE POLICE CHIEF
WOUNDED BY SHOT
FROM DARK

(Temple Telegram)

Monroe Fisher was shot at 1:15 o'clock this morning as he was driving home in his car along Avenue H between Third and Fifth streets.

The shot, fired from a dark alley, struck Fisher in the face and arms, but the wounds inflicted were not serious, the weapon used being a shotgun, loaded with small shot.

The wounded man drove immediately to a hospital for treatment, where it was said his condition was not serious, although he was kept at the hospital until after daylight this morning as a precaution against possible infection and other serious consequences.

Sheriff Bigham and Deputy Sheriff Johnson were called from Belton to co-operate with local police officers, and after an investigation they stated that the shooting had no connection with the Bonds-Fisher feud, but was apparently the result of some family trouble, real or imaginary, on the part of the assailant.

A man was held for questioning in connection with the affair, and it was said by the officers that complaint would probably be filed against him early this morning.

Details were lacking at this hour and it is not known whether the assault grew out of a misunderstanding or just what the real cause was.

However, it appears to have no connection whatever with the Bonds and Fisher trouble.

Fisher is a caller for the Santa Fe railroad. He had been down town talking with his cousin, Ernest Bennett of the customs service of San Antonio, and Chas. Miller and Tom Stacy, two former rangers now special agents for the Southern Pacific railroad, who were here investigating the record of a man who had gotten into trouble with the railroad officers on the Southern Pacific.

Shortly after 1 a. m. these officers got into Sam Smith's car and drove to the Katy station to take the train to San Antonio. Then Officer Smith and Fisher, who had accompanied him drove out to Avenue H and First street, where Monroe Fisher had left his car parked. Fisher got out and said he was going on home in his car. He drove toward his home on east to Main and came on back to the business district.

As Fisher was passing the alley between Third and Fifth streets the shot was fired from the alley. It shattered the windshield of his car, the small shot entering his face and hands. Fisher said he did not see anyone. He drove to the hospital and went in, calling for a doctor to give him medical attention.

Monroe Fisher is under \$10,000 bond awaiting action of the grand jury on a complaint filed before Justice Bob Law of Belton charging him with murder in connection with the fatal shooting of Ex-Sheriff A. W. Bonds in Belton one week ago, and naturally the first impression following the assault this morning was that it was connected in some way with the Bonds-Fisher affair, but such is not the case, it is said.

Sells Nursery Stock

Paul D. Thompson is now agent for the Texas Nursery Company of Sherman and Waxahachie and is now showing these samples to the farmers and home owners here. The line is one of the best ever seen here and Mr. Thompson is receiving a number of orders for this stock. He will be glad to have his friends look over this line for fall delivery.

STANDING OF THE CLUBS

ORDINANCE

An ordinance to make it unlawful to run railway engines or trains over railways in the city of Cameron between the Eastern and Western, and Northern and Southern boundaries at a greater rate of speed than 8 miles per hour; Provided that if such railways shall maintain such electric crossings of the public streets over such railways as may be designated by the City Council that then this ordinance shall not be effective as to any such railway and provided a penalty for violation of such ordinance, and declaring an emergency.

Be it ordained by the City Council of the City of Cameron:

1. That it shall be unlawful for any person to run or cause to be run any railway engines or train upon any railway track, or switch, in the City of Cameron between the eastern and the western boundaries of the corporate limits of said City, and between the southern and northern boundaries of the corporate limits of said City, at a greater rate of speed than eight miles per hour; provided that if any railway corporation owning and operating railway tracks and switches within said corporate limits shall install and maintain such electric signals, or gates, or watchmen at the crossings of the public streets of said City over the line, or switches of such railway corporation, as may be designated by the City Council, then this ordinance shall not be effective as to the lines and switches of said railway Company. Any persons who shall violate this ordinance shall be guilty of a misdemeanor for each and every offense and shall be fined in a sum not less than Five Dollars and not more than One Hundred Dollars.

2. The fact that there is no adequate ordinance covering and regulating the foregoing subject matter creates an emergency and public necessity that the rule requiring that all ordinances be read on three several days be suspended, and the same is hereby suspended and this ordinance shall take effect and be in force from and after its passage and legal publication.

Passed this the 19th day of April, 1927.

Approved this the 19th day of April, 1927.

JUDD G. DAVIS,

Mayor, City of Cameron.

Attest:

J. C. Joseph, Secretary.

We have Registered Male for service at \$2.50. Cows must be brought to farm.

Can take care of a few more afternoon customers for milk. Our milk test shows higher than any other dairy.

NOTICE IN PROBATE

The State of Texas

To the Sheriff or any constable of Milam County—Greeting:

You are hereby commanded to cause to be published once each week for a period of three successive weeks before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

The State of Texas

To all persons interested in the welfare of Anton Wokaty, a person of unsound mind:

Mrs. Maggie Wokaty, guardian, has filed in the County Court of Milam County, on the 6th day of January, 1927, her final account as guardian

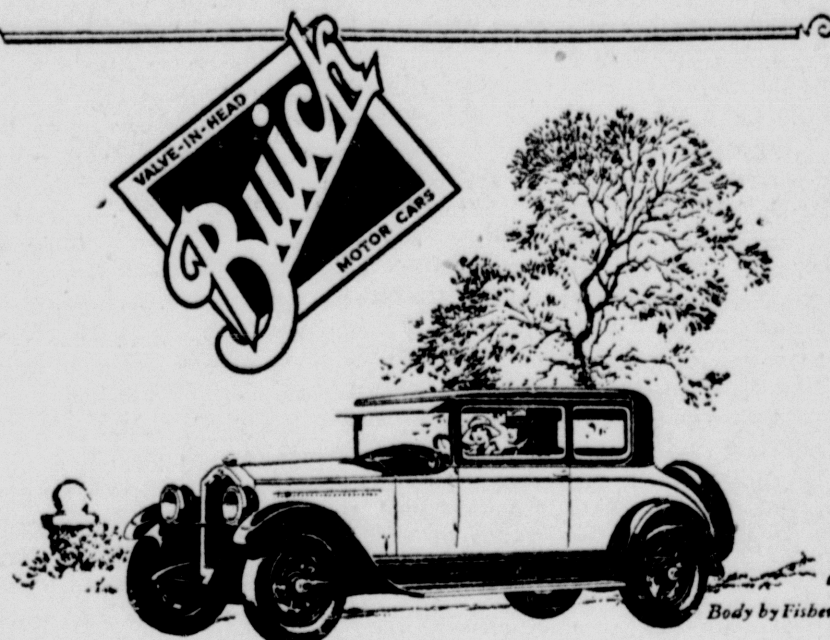

of the person and estate of said Anton Wokaty, and her application for discharge of such guardian, which said account and application will be heard by said Court at the next regular term thereof, to be begun on the 6th day of June, 1927, at the Court House of said County, in Cameron at which time all persons interested in the welfare of said Anton Wokaty are required to appear and answer said application and contest said account, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron, this 5th day of May, 1927.

LILIAN ATKINSON,

Clerk, County Court, Milam Co., Tex.

Buick value is greater today than ever before

Because Buick is a beautiful car; its Fisher Bodies are distinguished for their smart stylish design, rich Duco colors and fine coachcraft.

Because Buick performance is superb; with the famous Valve-in-Head engine, vibrationless beyond belief.

Because Buick has always used the savings of great volume to enrich Buick quality.

Because Buick initial cost is low and Buick operating cost is economical.

Buick value is greater today than ever before.

Examine Buick, point by point. Compare it with other cars before you make your choice. A-42-15

DALLAS, TEXAS

\$100 IN PRIZES FOR COUNTY CORN SHOW

SHOW WILL BE HELD AT ROCKDALE IN EARLY PART OF OCTOBER, 1927

Prizes totaling \$100.00 will be given to the winners in the county-wide corn show to be held in Rockdale just prior to the State Fair of Texas in October, according to an announcement made this week by W. E. Gaither, who is guaranteeing the prizes. George Banzhaf, county agent, is promoting the corn show, with the co-operation of the citizens of Rockdale who will work in unison in offering the prizes and making the show a success.

Although the exact date for the corn show has not been set, officials announce that it will be held about the first of October, just prior to the state fair of Texas, at Dallas. Farmers and farm boys who win prizes may make exhibits at the State Fair and at the Cotton Palace at Waco. The prizes will be open to adult farmers and all boys in regular organized county clubs as follows:

For members of regular organized boys corn club of Milam County: White dent, best ten ears, first prize \$5, second prize \$4, third prize \$3, fourth prize \$2, fifth prize \$1; Yellow dent, best ten ears, first \$5, second \$4, third \$3, fourth \$2, fifth \$1; mixed varieties, best ten ears, first \$5, second \$4, third \$3, fourth \$2, fifth \$1; sure cropper, best ten ears first \$5, second \$4, third \$3, fourth \$2, fifth \$1; total \$60.00.

For adult farmers for all Milam county: White dent corn, best ten ears, first prize \$5, second prize \$3, third prize \$2; yellow dent, best ten ears, first \$5, second \$3, third \$2; mixed varieties, best ten ears, first \$5, second \$3, third \$2; best single ear, any variety, first \$5, second \$3, third \$2. Total \$40.00.

Citizens of Rockdale harking back to "the good old days" when county wide corn shows were annual occurrences in Rockdale, are predicting success for the 1927 show. About fifteen years ago when County Agent Banzhaf first started his work in Milam County and on the Rockdale side

of Little River, the corn shows in Rockdale were the biggest annual events of the county, and crowds almost equalling those attending the present big league baseball games came to this city each year on the date set for the corn show. Banzhaf, as the oldest county agent in the United States, has made quite a record in his many years of service, and one of the outstanding features of his administration has been his work with the farm boys in organizing corn clubs and other agricultural clubs. The annual corn shows of past years were always successful and this year with Gaither and other Rockdale citizens co-operating with the county agent, a corn show de luxe is being anticipated.—Rockdale Reporter.

A. J. Urban

Thorndale has again suffered an irreparable loss through the death of one of its truest and best citizens, A. J. Urban, who departed this life last Saturday afternoon about 2 o'clock at his home here, the immediate cause of his death being heart failure.

He was apparently in usual health and had gone home for lunch from the planing mill, where he had worked all the forenoon, and during the noon hour he attempted to connect up a water pipe from the well to the garden. In this he had the assistance of his son, John Urban, for a few minutes and at the father's insistence that he could finish the connection without help, John left for his own home. It seems that he soon became exhausted for he made his way to the house soon after John had left him and stated to Mrs. Urban, his wife, that he was "worn out." He grew weaker and complained of a pain in his heart, whereupon a physician was immediately summoned and medical aid was given him, but to no avail for the end came about fifteen minutes later.

The funeral service was held at St. Paul Lutheran Church in Thorndale Tuesday afternoon at 2:30, Rev. F. H. Stelzer, pastor of the church conducting the service. Interment was made in the St. Paul Lutheran Cemetery following the service.

All business endeavor was suspended from 2 until 4 o'clock in the af-

ternoon Tuesday out of respect to the man whom we all loved and that all might attend the funeral and pay their last respects to this good man and community benefactor. The great number attending the funeral and the floral offerings evidenced the high esteem in which Mr. Urban was held.

Andrew J. Urban was born at Serbin, Lee County, June 15, 1861, where he grew to manhood and in 1883 he was married to Miss Helen Lehman. Two years later he moved to Thorndale, which at that time was a very small village, containing only five small, unpretentious business buildings beside the depot. After farming a few years he built a workshop and did contracting, building houses and churches all over this section. From time to time he, with the assistance of his sons, has added new and modern machinery until they now have one of the most complete and modern planing mills and cabinet manufacturing plants in the state. Only recently A. J. Urban and Sons supplied the Texas Power & Light Company with a finished job which that company could not get done in Taylor or Dallas. In the social and business life of this section he was known by young and old, and all who knew him loved him. He was an exemplary citizen. He was quiet and diligent in business and an expert in his chosen vocation.

He was a devoted member of the St. Paul Evangelical Lutheran church and a charter member of the local church which at the time of its organization, December 21, 1890, had seven male members, three of whom survive him namely: John Moerbe, John Winters and Mathes Heintze.

Besides his devoted wife, the following children mourn his departure: John, Henry, Otto and Walter Urban; Mrs. August L. Lehman, Mrs. Swayze, Mrs. Fred Shukraft, and Mrs. Max Ferrari. A brother, John J. Urban of McDade and a sister, Mrs. Ernest Moerbe at Fedor also survive him.

Thus it is that Thorndale has lost a man whose life was outstanding and reflected the image of God in his daily activities and we believe the world is made better by his having lived in it, and the publishers of the Champion join the many hundreds of friends in all parts of this section of the state in sympathy for the bereaved family and friends in their sorrow.—Thorndale Champion.

Decade of Service Is Celebrated By Federal Farm Bank

Houston, Texas, May 18, 1927—The Federal Land Bank of this city which serves the farmers of this State thru 350 local cooperative National Farm Loan Associations, covering every agricultural county in the State, is celebrating its tenth anniversary in a state-wide convention here. In the ten years in which it has been operating it has made more than 50,000 long term first mortgage loans to farmers of the State in an amount in excess of \$150,000,000. It began with a capital, reserve and undivided profits of \$9,570,027 owned by the borrowing farmers. The net loans on its books amount to \$133,000,000; its record for foreclosure on farms in only 37 in 10 years of lending on more than 50,000 farms. The delinquency in payment of installments by borrowers, as of this date is only \$1722.00, or one fiftieth of one per cent of the annual installments.

"In the decade in which this bank has been in operation savings to borrowers in interest alone has increased until they now amount to approximately \$4,000,000 each year," stated President M. H. Gossett. "At this time it is only natural that we look back over our accomplishments and see what has really been done by this cooperative or mutual organization for the farmers and ranchers of Texas. The very first loan made by this bank is fairly typical. It was in Grayson County for \$10,000, at the rate of 5 per cent—and that low interest rate was strictly an innovation in this country, at least three per cent less than the borrower could obtain the money elsewhere.

"Under such conditions, that borrower by this date would have paid \$800 annual interest, or \$8,000 and he would still owe the original \$10,000. Contrast this with what he has accomplished through the Federal Land Bank, and then multiply his benefits by 50,000 borrowers and you will have an approximate picture of what this institution has meant to its borrowers. This Grayson County farmer has paid 6 per cent annually for ten years. This includes 5 per cent interest plus one per cent to apply on the principal. He has made 20 semi-annual payments of \$300 each. These have reduced his loan from \$10,000 to \$8,700. Instead of \$8,000 which he would have paid at 8 per cent, he has paid the Federal Land Bank, through his local National Farm Loan Association, only \$6,000 of which \$1,300 has been credited to him, reducing his mortgage by that amount. In in-

terest alone he has saved the difference between 5 and 8 per cent, \$300 per annum, or a total of \$3,000. The first borrower, like all others, has had the option of paying off his loan in whole or in part, without bonus or penalty, at all times after five years from the date of the loan.

"The local National Association of which this borrower is a member is a comparatively small one and yet it has a legal reserve and undivided profits of \$2,132. The soundness of this Federal Land Bank cooperative system is well illustrated by the fact that this bank has paid \$2,732,814 in dividends to associations. For the last four years it has paid a ten per cent dividend and expects to pay the same in 1927; 5 per cent semi-annually.

"The activities of the Federal Land Bank represents an achievement in culture never before available, measured by both low interest rate and supplying the capital needs of agriculture terms of payment. We look forward to as great a period of service in the next ten years as we have been able to render during the first decade."

W. G. Gillis is the local representative of the Federal Farm Loan Bank.

Graham Brothers Truck

April retail sales of Graham Brothers trucks and commercial cars including foreign shipments reached the highest level of any month this year, a total of more than 5,600 units having been delivered throughout the world during the 26 working days. Graham Brothers tremendous output of trucks embraces a full line of 3-4, 1, 1 1-2 and 2-ton capacities, complete with bodies.

Featuring the large sales in April was an increase of 188 per cent in overseas shipments over the substantial figures of March, a total of 1084 units for the month. This total has been exceeded by only one other month in Graham Brothers history.

In Canada, Graham Brothers sales for April broke all previous monthly records of trucks delivered to customers.

Dodge Brothers Dealers throughout the United States report that even greater sales are in prospect. As the truck business is one of the best barometers of general business activity, a continuance of prosperous conditions is indicated.

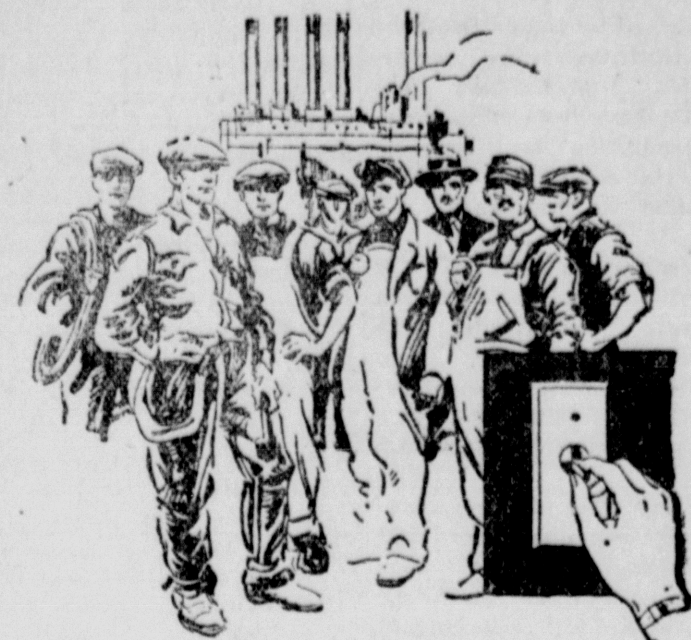

Miss Ethel Collins spent last week end with friends in Austin.

Mr. and Mrs. Arthur Ware, Mrs. W. B. Shirley and Miss Jennie Shirley of Bartlett visited relatives here Wednesday.

Misses Dorothy and Helen Blaylock spent the week end in the home of

their aunt, Mrs. B. F. Gafford in Austin.

Mrs. F. E. Flinn and charming little daughter, Harriet Carolyn of Driscoll are guests in the homes of Mrs. E. A. Flinn and S. W. Cheeves.

What's behind your lighting switch?

Tonight, when you touch a lighting button, think for a moment of the people whose service it commands; of the sentinels who are patrolling the wires; of the emergency crews who respond to a call as quickly as the firemen; of the workers in the power house, on watch while you sleep, to make sure that you shall have light if you need it.

Think of the hundreds of other men and women you never see but in whom you have put your trust.

"The things we depend upon most," a great thinker has said, "we think of least." Our business is serving you and we think of you twenty-four hours a day.

DODGE BROS NEW CARS MAKE HIT WITH PUBLIC

ORDERS SO GREAT THAT PRODUCTION WAS INCREASED TWICE IN 10 DAYS

Orders received by Dodge Brothers, Inc., from its dealers since announcement on May 1 of the new four cylinder motor have been in such volume that production has been increased for the second time in ten days, according to President E. G. Wilmer.

"The immediate response of the public and of our dealers has been very gratifying," Mr. Wilmer stated. Orders received in the first three days following the announcement totaled approximately \$4,000,000. This is in addition to ordinary contractual allotments.

"The first day after the announcement dealers placed orders for 1080 cars and on the second day orders totaled 1742. Orders are continuing to pour into the factory in large volume.

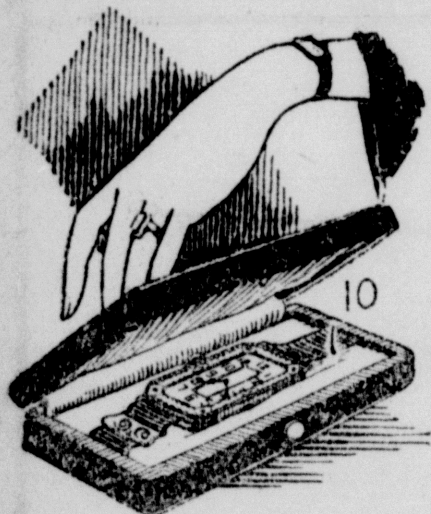

"Over 600 telegrams from dealers in all sections of the country have been received telling of quickened demand and requesting advance shipment of their allotments.

"Stocks of cars in dealers' hands are low and current retail sales will be immediately reflected in factory operations. Since March 1 deliveries by dealers have been materially in excess of factory production.

"Output was stepped up May 9 to care for the large orders. This was the second time our operations have been speeded up within ten days.

JAKE T MAPLES, 69 ACCIDENTLY KILLED

FORMER BELL COUNTY RESIDENT AND FARMER HERE IS BURIED

(Temple Telegram)

Jake T. Maples, 69, pioneer resident of Bell County and a well-known farmer for many years, was accidentally shot near his home in Milam County Friday afternoon, according to word received here. He was a brother of D. A. Maples and Egg Maples of Little River and has many other relatives in this section, being very well known.

J. T. Maples, 69, of Belmena community, seven miles northeast of Cameron, was accidentally shot and killed Friday afternoon about 1 o'clock while hunting pigeons near his home. He was crawling through a fence with his shotgun in his hand and it was accidentally discharged it was said. The charge struck him in the head, tearing away the top part of his head and killing him almost instantly.

He formerly lived in Bell County and moved here a few years ago, being well known throughout Bell and Milam Counties. He was married to a Milam County girl, Miss Timmons, many years ago.

Surviving are his daughter, Miss Mary Lavonia Maples, a student in Baylor College, Belton, and several sons, brothers and other relatives. The body will be sent to Temple for burial.

Mr. Maples was born at Lafayette Springs, Miss., in 1856 and came to Texas in 1876. He had lived in Bell and Milam Counties ever since. Mr. Maples was a member of the Methodist church for the past 25 years.

Surviving are his widow and three children, Mrs. W. B. Henderson of Braggs, Oklahoma, Fonce Maples of Fort Worth and Miss Mary Lavonia Maples of Baylor College, Belton.

Funeral services were held at Walker's Creek cemetery, Saturday at 3 p. m. Pall bearers were his nephews and honorary pall bearers were Eob Sharp, Henry Reeves, T. C. Boyd, Ellwood Chamberlain, Will Vaughn, Frank Hardy, George Grover and Joe Denson.

The funeral services were directed by the Green Bros., Undertaking firm of Cameron.

B. Y. P. U. Party

Last Friday evening at the Baptist Sunday School Annex the Intermediate B. Y. P. U. and guests enjoyed a delightful party which had been planned for them by their leader, Mrs. Don Slocumb. Stunts and games were directed by H. P. Black.

Mrs. Ray Jenness assisted Mrs. Slocumb in serving delicious homemade cream and cake.

There were forty boys and girls in attendance and each one assured their leader of their appreciation of her efforts in planning for them such a delightful party.

Choral Club Picnic

Members of the Blue Bird Choral Club and their charming director, Miss Elpise Rogers, enjoyed a picnic at Wayside Park last Wednesday evening from 6 until 8 o'clock. They secured a truck and Ben Atkinson drove them out to the river.

A delightful lunch had been prepared for them and everyone had a jolly time. Mrs. Wm. Rogers chaperoned the crowd.

From 8 until 9 o'clock they were driven over town and serenaded at various places; among those enjoying this treat was "Ma" Triggs, who had not had an opportunity to hear them sing. The listeners as well as the serenaders enjoyed every minute.

At 9 o'clock they went to Miss Eloise Rogers' home where fun continued until 12 o'clock. A number of young men were invited and a dance program, with music furnished by a Carryola, contributed to the amusement. Miss Jennie Tyson dressed as a Japanese, told fortunes of interest.

Informal Tea

Complimenting her week end guests, Miss Sallie Coleman entertained last Saturday afternoon with an informal seated tea at the home of her parents, Mr. and Mrs. J. W. Coleman.

The guests were greeted by Miss Lily Kate Beckerman at the door. In the receiving line were Mrs. Coleman, Miss Sallie Coleman and the honor guests, Misses Elizabeth Moncrief, Ruth Blakeney, Grace Long, Jimmie Ballard, Emy Bittmer, Clara Brannon, and Helen Byron.

Party at Country Club

On last Thursday evening members of J. C. Martin's Sunday School Class their wives and friends, were entertained with a party at the Cameron Country Club. Stunts and games afforded much laughter. Refreshments consisted of fried chicken, fruit salad, potato chips, ice tea, cream and cake. There were twenty-five in attendance.

Jones Prairie Club

The Jones Prairie H. D. Club met
Monday afternoon last at 3:00 o'clock
in the home of our president Mrs. E.
B. Yager.

After the reading of the minutes
and roll call a report was made by the
chairman of the stove committee
which was very favorable. We can
get a stove alright but a meeting
house is uncertain yet, another com-

mittee was appointed to locate a
meeting house and report at the next
meeting which will be with Miss Lola
Anderson. Canning will be the sub-
ject of the program.

After the business hour we went in
the kitchen and three egg dishes were
made, egg and cheese dish, egg cro-
quettes and custard slouffle, which
were enjoyed by all. There were
fourteen ladies present. Let's all the
members be present at the next met-
ing.

—Reporter.

Women's Feet Bigger; Men's Get Smaller

That American women are rapidly
making greater strides in the world
is true in a very literal sense, which
probably is not entirely welcome to
the fair sex. Deny the facts as they
will, women's feet are gradually
growing bigger, and in the last fif-
teen years or so, says the Phoenix
Research Bureau sizes of stockings
most in demand have increased from
eights, to fit the number four shoe,
to nines and a half to go with the five
and a half shoe, which is what the
average American woman now has to
wear.

But the beautiful Cinderellas of 1912
are now not the ugly sisters of 1927,
because this increased foot-size is
hardly noticeable in view of their
greater fastidiousness in matters of
shoes and stockings. Foreigners visit-
ing this country always concede that
the American woman is the best
groomed as to feet and ankles of any
nationality in the world.

Comfort before vanity is probably
one explanation of this growth, as well
as the fact that the modern woman
takes more exercise and goes in more
for sports than formerly and has to
pay the penalty by wearing larger
shoes.

While women's feet have been grow-
ing bigger, however, the average
man's shoe has decreased a corres-
ponding amount from nines and a half
to eights. No plausible explanation
for this has been found, and it must
just be put down to lack of masculine
consideration for woman's feelings.

Roman Banquet

Larkspur an dnaturtiums were
artistically used as decorations in the
banquet hall of the Ada Henderson
school on Thursday evening when
Miss Agnes Henderson, teacher of
Latin in Yoe High School, assisted by
her sister, Miss Mary Lake Hend-
erson, history teacher in the school di-
rected a Roman Banquet.

T. A. Fisher gave the invocation at
the banquet table. A Roman scroll
with menu and program in Latin was
at each guest's plate. A number of
jokes, stunts and short talks were
enjoyed. Mrs. Kathryn Robbins spoke
of the necessity of the study of Latin
to prepare business men and women
for the business world. T. A. Fisher
and Mrs. Ben Atkinson also gave de-
lightful talks.

A stunt was given in Latin by the
Freshman class. The Sophomore
class gave the scene of the assassina-
tion of Caesar. An attractive pageant
was given in English by the Seniors.
"America" was written on a black-
board in Latin and all took part in
the singing.

Sixty-five guests were in atten-
dance on this occasion.

Help Kidneys By Drinking More Water

Take Salts to Flush Kidneys and
Help Neutralize Irri-
tating Acids

Kidney and bladder irritations often
result from acidity, says a noted au-
thority. The kidneys help filter this
acid from the blood and pass it on to
the bladder, where it may remain to
irritate and inflame, causing a burning,
scalding sensation, or setting up an irri-
tation at the neck of the bladder, oblig-
ing you to seek relief two or three
times during the night. The sufferer
is in constant dread; the water passes
sometimes with a scalding sensation and
is very profuse; again, there is diffi-
culty in voiding it.

Bladder weakness, most folks call it
because they can't control urination.
While it is extremely annoying and
sometimes very painful, this is often
one of the most simple ailments to over-
come. Begin drinking lots of soft water,
also get about four ounces of Jad Salts
from your pharmacist and take a table-
spoonful in a glass of water before
breakfast. Continue this for two or
three days. This will help neutralize
the acids in the system so they no longer
are a source of irritation to the bladder
and urinary organs, which then act nor-
mal again.

Jad Salts is inexpensive, and is made
from the acid of grapes and lemon juice,
combined with lithia, and is used by
thousands of folks who are subject to
urinary disorders caused by acid irri-
tation. Jad Salts causes no bad effects
whatever.

Here you have a pleasant, efferves-
cent lithia-water drink which may
quickly relieve your bladder irritation.
By all means have your physician exam-
ine your kidneys at least twice a year.

Tested Dairy Cows

My herd of Dairy Cows from which my
customers get their milk have been tested
for tuberculosis and have been found free.
Not one cow in my herd has any sympt-
oms of tuberculosis. You are getting pure
milk from tubercular free cows from my
dairy.

Answer this One!

Question:

When is an ice man not a nuisance?

Answer:

When he delivers good clear ice regularly
and on time and when he is careful to see
that his ice is clean and his shoes clean so that
he doesn't track your kitchen.

OUR MEN not only deliver good clear 'solid' ice,
but are careful and courteous.

"Ask your neighbor."

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been
in use for over thirty years, has borne the signature of
Dr. J. C. Fletcher on the wrapper all these years
just to protect the coming
generations. Do not be deceived.
All Counterfeits, Imitations and "Just-as-good" are but
Experiments that trifle with and endanger the health of
Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a
remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric,
Drops and Soothing Syrups. It is pleasant. It contains
neither Opium, Morphine nor other narcotic substance. Its
age is its guarantee. For more than thirty years it has
been in constant use for the relief of Constipation, Flatulency,
Wind Colic and Diarrhoea; allaying Feverishness arising
therefrom, and by regulating the Stomach and Bowels, aids
the assimilation of Food; giving healthy and natural sleep.
The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

Dr. J. C. Fletcher

In Use For Over 30 Years

THE VANDALEERS

When spring brings out the wild flowers and the roadside greens every man, woman and child becomes a lover of nature, but so many of these impassioned lovers must pluck the object of their love. They are not content to look upon the new-found beauty but must jealously appropriate it to themselves. With them flowers grow to be picked.

All outdoors has adorned itself with floral raiment of gorgeous hue. The woods, fields, lanes, hills and valleys are ablaze with color and beauty. Everywhere the little wildflowers rear their innocent heads, the green shrubs line the roadsides and bursting buds reveal beautiful secrets.

To many persons the temptation to destroy these pictures is irresistible. They must loot the meadows and the hillsides. Their cars must go home laden with blossoms that are not meant for vases in the home. Nature provides its own vases for these blooms and the flowers that are plucked from their setting become like orphans, miserable, drooping and homesick.

Newspapers and nature lovers throughout the land find it necessary to remind a thoughtless public of the consequences of this vandalism. Vandalism it is, for many persons are not content with the flower, they must take the stem and the root as well. Eventually of course, this means extermination of the wildfire. That point has been reached in some instances.

As nature invites its people to the great open

spaces at this time of year with a cordiality that is unmistakable, her visitors ought to be considerate enough not to wreck her home and make it a desert. A moment's thought will make a normal person aware of the seriousness of the situation.

WHAT THEY WOULD HAVE SAID

The thought frequently comes to many of us, as we think of the old people we knew 25 years ago, what these folks would have said if they could have seen conditions as they are now. As they looked out on their quiet streets, in which their family horses jogged along toilsomely toward their goals, what would they have said if they could have seen this motorized age, with people darting through the streets at railroad speed?

The last quarter of the 19th century developed wonderful inventions. But it seems doubtful if it could be compared with the marvels of the first quarter of our century, with its automobiles, its radios and its airplanes.

The effect of automobiles has been one of the most far reaching changes in the history of society. It has pulled people out of their stationary habits, and given them a free range of movement. It enables people to have homes in the country and work in cities and towns. It has saved country neighborhoods from decay. At the same time it does make many people restless, and little inclined to settle down and work as the faithful old timers used to.

It must be the mission of the years immediately ahead, to give these people who have acquired added power, a true conception of aims and purposes. They must be shown that sports and pleasures alone will not do them much good. They need to seek knowledge, intelligence and interest in the good causes of the time. With enlightened motive added to increased power, then we shall see rapid advance in social welfare.

A GOOD TOWN

Put a peg of prosperity into your community by staying with it.

Always greet your neighbors with a grasp of confidence.

Criticize in the spirit of Godspeed.

Say a good word if it hurts. Remember that those who insist on hanging themselves will do it if given enough rope.

Give your neighbor a right to an opinion as long as he keeps it to himself.

Discuss questions involving your better welfare instead of arguing with them.

Apply the Golden Rule regardless of consequences.

Back up your churches and relative affiliations. You will feel better and besides are setting a good example for the young people.

Give the young people plenty of pleasure.

Failures reflect on the entire town. See what you can do to keep your neighbor on top of the water. Don't let him drown.

Let's have more handshakes and arm in arm conferences with a good will parting. It adds to that day's events.

Let's break the shell and step out. The world is wondering what we are going to do next. Let's show 'em.

Milam County Girl Tells of Club Work In Farm and Ranch

The following account of Club work in Milam County was published in Farm and Ranch and written by Miss Willie L. Day of Cameron:

Much has been said for a few of the outstanding men of the country. Men who have made much from little, men who have worked against adversity and won. But little has been said for the woman behind this man, the woman who stuck through thick and thin and kept his guns ready in his battle for success. Despite this lack of publicity the farm women are still backing their husbands and fathers in the fight to keep the wolf from the door.

Through the home demonstration and 4-H clubs the Milam county women are doing their bit to help make the world safe for farmers and to overthrow the rule of that absolute monarch, King Cotton. Where they formerly stayed in the background and hood and chopped and picked and otherwise worked themselves into early graves they are now coming to the front with their purebred turkeys, chickens and milk cows as well as home gardens and orchards.

Nearly all parts of Matchless Milam are suited to raising turkeys and chickens. Although some of each have always been raised here, 1927 promises to be a banner year in this line. Where two or three turkeys were formerly kept, eight or ten will be found this year. Where half of the turkey eggs were formerly sold or used for cooking, every egg is now being set and broody turkeys are broken up as soon as possible so as to obtain more eggs. Purebred Mammoth Bronze is the most popular breed in this section, but a few Bourbon Reds and White Hollands are to be found.

Most of the mongrel flocks of chickens have been replaced by purebred birds which are helping to pay the grocery bill for their owners. Many small incubators have been installed on the farms and a hatchery has been

established in Cameron, the county seat. Indeed, poultry raising is becoming so popular that many of the men want to turn their wives' sideline into one of their chief occupations. Single Comb White Leghorns are the favorites, with Rhode Island Reds next. Some few flocks of the larger birds such as Barded Rocks, White Wyandottes and Buff Orpingtons are to be found.

Since there are no large cities in Milam County, country butter prices had been rather low except where the farmers had time and means of delivering their products to regular customers; for this reason dairying had been neglected. Within the last year cream stations have been put in in almost every small town in the county. As this cream has to be delivered only once a week, it has become a steady source of income on most farms. Especially is it a boon to the club girl who is taking dairying as her productive project. Through these club girls it is hoped that herds of purebred Jersey and Holsteins will soon be the rule rather than the exception as is now the case.

Hand in hand with the year-round garden goes the cellar lined with jars of delicious canned goods. The president of the Ben Arnold club reported that she had enough fruit and vegetables on hand to last her family a year. Another member of this club recently moved; two wagons were necessary to move her canned goods. The Buckholts club will have four pressure canners this year where there was only one last year, and the Hoyte club will have the same number. Much credit for the increase in the number of canners this year is due to the interesting cooking demonstrations given by Miss Bartholmew, the county agent.

Besides the canned products, several of the ladies have smoked, dried or pickled beef and nearly all have butchered their own hogs. These hogs will not only supply bacon, ham and sausage, but lard, soap and other by-products as well.

In connection with "living at home and boarding at the same place,"

many of the women are striving to make their home a more "livable" place. There are a few entrants in the kitchen improvement contest. Most of these contestants are finding it necessary to improve the rest of the house so it will be in keeping with the modern kitchen.

In order to secure closer co-operation among the clubs over the county, the club presidents met with the home agent and decided on a course of work for the year. A year book containing programs for the entire year was then edited. The whole county is now following these programs. By means of this, the club members over the county feel a closer bond and a more instructive meeting will be had at the Club Rally Day in June.

Rather than have the women leave them too far behind, numbers of the men are terracing their farms to save the fertility of the soil and are planting a variety of crops. More than 100 acres have been pledged for planting to watermelons and grapes this year. Orchards that have been neglected for years are being pruned and new ones are being set on a number of farms.

After checking over the home demonstration clubs it was found that 75 per cent of the members are constant readers of Farm and Ranch. One lady asserted for interesting reading and facts, her family considered it next to the Bible.

Missionary Society

The Methodist Missionary Society met in circles Monday afternoon:

Circle one met with Mrs. George Childress, Sr., with eleven present. The devotional was led by Mrs. David Smith. The voice lesson, "Child and the New Earth," was conducted by Mrs. Henry Davis.

Circle two met with Mrs. D. H. Slaughter with fifteen members and three visitors. Mrs. L. J. Power illustrated the Voice lesson with posters, which was very interesting. Miss Evelyn McCall gave a vocal solo and Miss Geraldine Slaughter rendered a beautiful piano solo. The hos-

tess served strawberry punch and cake.

Circle three met with Mrs. A. W. Esslinger with eleven present. Mrs. G. C. White led the devotional and voice lesson and was assisted by Mrs. Pope Sapp, Mrs. C. S. Peyton, Mrs. H. F. Smith Sr., and Mrs. Earl Esslinger. A free will offering was taken.

Circle four met with Mrs. Tom Denson with nine present. A short business session was held. The lesson was led by Mrs. W. O. Triggs. Brick ice cream and cake were served.

Methodist S. S. Gives Finé Program

Last Sunday morning the department of the Methodist Sunday School presented a program "The Abundant Light." Roy Baskin, superintendent of the Sunday School, presided. The pastor, L. J. Power, made a very effective talk.

Each department had a part on the program and deserves special mention. Mrs. Leland Green's department of little tots marched up and pinned flowers on green cross made by Miss Mollie Moore, and during this time, Mrs. Alex Triggs sweetly sang "The Old Rugged Cross."

Mildred Clinton represented the Intermediate Department and read a paper "The Field of the Sunday School and Some of its Accomplishments" as follows:

"The purpose of the Sunday School is to make Christians. It seeks to bring the members of the school into experience of personal faith in Jesus Christ and to develop them in His likeness. In so far as it fulfills its mission, it is ever moving in the direction of making boys and girls, youth and adults like Jesus in spirit and life.

"The membership of the Sunday Schools of our own church now embraces 2,114,000 persons, a large majority of whom are children and youth. Surely here we have more than anywhere else the church of the future. What we do or fail to do here will to that extent make or mar the future of the church and the lives of those who constitute the chief part of its future membership.

"Working with pupils in our Sunday Schools are 6,800 pastors and 173,000 officers and teachers.

"During the last quadrennium 363,938 pupils of our Sunday Schools joined the church, or an average of two pupils during the quadrennium for each pastor, officer and teacher at work in the Sunday Schools of the church. In the aggregate this is a great achievement, and for it we must be thankful. At the same time, we must carefully consider whether this number may not be greatly increased.

"Of the persons joining the church during the quadrennium, 64 per cent came through the Sunday Schools, of the remaining 36 per cent it is practically certain that many had previously been under the influence of the Sunday School and that the Sunday School had, in large measure, contributed to their becoming members of the church.

"The Sunday School today is generally recognized as the most effective means of missionary education of the church of the future.

"While there are 2,114,000 pupils in the Sunday Schools of our church there is probably an even larger number for whom the Methodist Episcopal church, south, is directly responsible that are not in the Sunday School at all. Here is a challenge to us to reach out and bring these into the Sunday School and to see that religious instruction and training are made available for those who are now not enrolled in any Sunday School.

"In addition to all that our Sunday Schools are doing in the home land, they are rendering an invaluable service to our foreign fields. Our Sunday Schools will this year raise the money for the support of the entire mission work of our church in Europe. And in addition will assist the Board of Missions at a number of other points. Plans are also underway by which the Sunday Schools will undertake to provide the support of a Sunday School leader or superintendent, very much like the Conference Superintendent in our home conferences for each of our foreign mission fields.

Brady-Hilsberg

The marriage of Charlie Brady to Miss Esther Hilsberg was solemnized at the home of the bride's parents in Giddings, Wednesday, May 11, 1927.

The groom is connected with the B. & B. Studio. He came to Cameron several months ago and by his splendid efforts has built up a good business, and he is to be congratulated upon his wise choice.

The bride is a charming lady; she comes from a prominent family in Giddings, and is well and favorably known.

The happy couple will make their home in the Tom Randolph apartments after a short honeymoon trip.

Baptist W. M. U.

The W. M. U. met at the church Monday afternoon. It was the regular day for Enlistment Service but on account of the pastor, Mr. Hutcherson, being out of town that special service was deferred to a later meeting. Mrs. J. B. White led the devotional. Inspiring talks concerning the revival meeting, that is to begin soon were made by Mrs. S. M. Burns, Jr., and Mrs. E. S. Hutcherson.

A short business session was held and future plans were discussed. There were twenty-five in attendance.

Next Monday afternoon the W. M. U. will meet in circles as follows: Circle one with Mrs. Conn Miller. Circle two with Mrs. J. B. White. Circle three with Mrs. Joe Casey. Circle four with Mrs. O. L. Kidd. The R. A.'s will meet at the church Sunday afternoon at 2 o'clock.

Pastor Returns

E. S. Hutcherson, pastor of the First Baptist church, has returned from Louisville, Kentucky where he attended the meeting of the Southern Baptist Convention.

The pastor was in Cameron to preach at the morning and evening service at the church to large crowds. He did not make his contemplated trip to Washington and New York. He saw much of the flood disaster in the Mississippi Valley and brought a picture of the flood to the audience Sunday. "I felt I should not go on this trip and decided to return to Cameron and make another subscription to the Red Cross." He plans to go to the world Baptist meeting in Toronto, Canada, next year.

Bridge Club

The bridge club was entertained in a delightful manner on Monday evening by Mrs. Penn Wolf at her attractive home. The rooms were decorated with yellow nasturtiums in crystal bowls and cannas in floor baskets. Two tables were provided for the players and a series of games were enjoyed.

High score was won by Miss Grace Eplen and she received some decorated bridge pads. Miss Jennie Brown received consolation, a jar of bath powder.

Delicious orange ice and cake were served. Mrs. Bob Brown was a club guest.

News has been received by friends in Cameron of the death of Mrs. J. F. Smith of Oklahoma, formerly of Cameron, on Thursday, May 12 at the home of her daughter, Mrs. Arthur Hendren in Tulsa, Oklahoma.

John Henry Thomas of Gause has purchased a Dodge Brothers Sedan from the Sapp Motor Company of Cameron. The car was delivered to Mr. Thomas Monday of this week. The Sapp Motor Company is looking for a shipment of the new four cylinder cars soon. The Dodge Motor Company, it is said will soon have a six cylinder car on the market to supplement its line of fours and this car is awaited with interest here. Mr. Pope Sapp says he has one sold to be delivered on arrival here.

Mr. and Mrs. J. H. Thomas of Gause were in Cameron Tuesday on business.

Distance lends enchantment to a debt.

No woman is an old maid until she admits it.

A man who falls in love with himself never has any rivals.

Best way to improve the postal service is to stop mailing bills.

Our prediction of the hottest summer ever is based on the fact that all summers are that hot.

Long hair is said to be coming in, which is bad news for milady who had it bobbed because it was coming out.

Country Club Dance

Members and guests enjoyed a dance at the Cameron Country Club on last Friday evening. Special features of entertainment had been arranged complimenting the guests attending the week end house party given by Miss Sallie Coleman.

Music was furnished by the Twilight Serenaders from Temple. The girls were beautiful in evening dresses of pastel shades. Paul Jones dance was enjoyed for a while, followed by a grand march, led by Roy Jeter and Miss Sallie Coleman. Refreshments were served during the evening.

City Attorney Returns

Paul Webb, City Attorney, has returned to Cameron from San Angelo where he attended the meeting of the League of Texas Municipalities. Mr. Webb delivered an address before the meeting on "Some of the Benefits of Recent Legislative Enactments" for cities and towns.

R. E. Thomason of El Paso, former speaker of the house and late candidate for governor was elected head of the league.

Mr. Webb brought back with him an address delivered by Mayor H. D. Hockersmith of Vernon on "Should a City Own Its Public Utilities, Especially the Light and Water Systems." This address will be of interest to every city in Texas and will be printed in the next issue of The Herald.

Picnic at Wayside

Among the many affairs arranged in honor of Miss Coleman's week-end guests was the picnic at Wayside Inn last Saturday evening given by Miss Frances Looney of Ben Arnold. The lunch was splendidly prepared by Mrs. O. R. Looney and consisted of fried chicken, sweet pickles, pimento sandwiches, stuffed eggs, soda pop, ice cream and cake.

Those enjoying this picnic were: the honorees, Misses Elizabeth Moncrief, Ruth Elakene, Grace Long, Jimmie Ballard, Emy Bittner, Clara Brannon, Helen Pyron of Baylor, Eloise Rogers, Frances Looney, Sallie Coleman and Glenn Flinn, Jack Hearrell, Elmo Baggett, Albert Collins, Richard Vest, Conn Moody and Bob Dyer.

Christian Aid Society

The Christian Aid Society held their last meeting at the church. An interesting Bible lesson was conducted by Mrs. Guy Slocomb. There were seven in attendance.

The next meeting will be Monday May 23 in the home of Mrs. Verge Woolley. During the summer the Society will meet only twice a month, the first Monday will be for a business meeting and the third Monday a Missionary meeting.

Graduating Exercises at Cameron Hospital

The reception room and hall were beautifully decorated with lilies and sweet peas for the graduating exercises at the Cameron Hospital for the nurses training school last Thursday evening.

The opening address by Dr. Epperson was well delivered and much enjoyed. Miss Rose Rischar, chairman, had arranged for the Blue Bird Glee Club, with Miss Eloise Rogers as director, to entertain for the evening. Eight numbers were rendered by the club, all very splendid and enjoyable. Miss Rogers is a director of note, being known throughout the state.

Dr. John Denson talked to the graduates in a very appropriate address about their future work. Dr. Eduard Rischar, Dr. Tom Denson and Mrs. J. P. Love paid tributes to the graduates and Misses Albena Kulak and Clara Mae Bell also made interesting talks.

To K. C. Convention

Edward B. Hess of Burlington, Grand Knight of Cameron Council No. 2338 and Wm. J. Michalka, past Grand Knight, represented the local council of the Knights of Columbus at the state convention held in Taylor on Tuesday and Wednesday of this week.

Interest attaches to the dedication in Taylor. The local church is also planning the erection of a new building in Cameron.

St. Rita's Circle Play Is Success

The play, "Deacon Dubbs," sponsored by members of St. Rita's Circle given at the Knights of Columbus Hall Monday night was a great success. The play was directed by Mrs. M. G. Manning. Music was furnished by Miss Mary Ellen Manning for the play and also for the dance which followed.

The house was packed. People came from neighboring towns. The characters were well chosen and they played their parts splendidly.

Mrs. Manning in behalf of the Circle, wishes to thank those who helped to make the play a success and assures them of their appreciation of their efforts.

A dance was enjoyed following the play and music was furnished by Miss Mary Ellen Manning and others. A large crowd attended and everyone had a good time.

The proceeds amounted to \$128.00.

Pleasing Hospitality

Sunday afternoon Miss Eloise Rogers invited members of Miss Sallie Coleman's house party and several other friends to the home of her parents Mr. and Mrs. Wm. R. Rogers.

The Rogers home is noted for its hospitality and an hour spent with these delightful people is indeed a great pleasure. The hostess, assisted by her mother, served ice cream and cake.

Presbyterian Auxiliary

The Presbyterian Auxiliary met in circles Monday afternoon for a study of the program, "School Days in the Home Land," as follows:

Circle one met with Mrs. G. E. Sutton with five present. Mrs. George Mode led the devotional. Mesdames Sapp, Sutton and Buddie Wilson had interesting parts on the program. The hostess served grape juice and sandwiches.

Circle two met with Mrs. Lu Meyers was led by Mrs. Meyers. Mesdames Gillis, Dan Tyson and Kenney were on the program.

Circle three met with Mrs. N. H. Butts with eight present. Mrs. Butts conducted the devotional. Mrs. Ben Atkinson and Frank Lesovsky had a part on the program. The hostess served a salad plate with ice tea.

Next Monday afternoon at 3:30 o'clock there will be an Auxiliary Birthday Party at Mrs. Ben Atkinson's. Every member of the Auxiliary is cordially invited to be present.

THE STATE OF TEXAS

To the sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

Notice of Application for Letters
Estate of Decedents

The State of Texas,
To all persons interested in the Estate of Frank Lehnert, deceased. Richard Lehnert has filed in the county Court of Milam County, an application for the probate of the last will and testament of Frank Lehnert deceased, filed with said application, and for letters testamentary of the estate of said Frank Lehnert, deceased which will be heard at the next Term of said Court, commencing the first Monday in June A. D. 1927, same being the 6th day of June, 1927, at the Court House thereof, in the town of Cameron at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein fail not, but have you then and there before said court this writ with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court, May 16, 1927 A. D. 1927.
Lillian Atkinson,
Clerk County Court, Milam County, Texas.

The need for the Junior College was stressed by Hon. W. A. Morrison in his address to the graduates of the Ben Arnold school on Friday night May 13 at the exercises held in the school auditorium there.

Mr. Morrison has made a close study of school needs having served for many years as chairman of the Milam County board of education. In recent months he has given much time and attention to the Junior College needs of Texas. His address was well received being the first notable expression of the Junior College in this section.

The following are faculty members at Ben Arnold: A. W. Rettig, principal; Katherine Sproull, Annie Mae Dodson, Frances Looney and Ruth Piegel.

The following program was rendered:

Processional.
Invocation, B. G. Rice.
Chorus.
Victory, Walter Roesler.
Lamentations, Alvin Noite.
Is It Worth While?, Woodson Noite.
Class Prophecy, Joe Kosel.
Class Bibliography, Mable Folschinsky.
Address, W. A. Morrison.
Presentation of Diplomas, A. W. Rettig.
Response from Class, Helms Sproull.
Benediction, W. T. Smith.

District Meeting Epworth League

About forty representatives from Franklin, Marlin, Calvert and Sneed's Chapel attended the District Meeting in Cameron of the Epworth Leagues

in the Marlin District last Saturday and Sunday. This was the fourth institute of the year.

Supper was served in the basement of the church for the visitors and members of the Cameron league Saturday evening. Registration began in the afternoon. One of the principal speakers for the occasion was a native of Brazil, Senor Oscar Michado. A social hour was enjoyed Saturday night with a stunt program and pep songs.

The session opened Sunday morning at 9 o'clock. During this time Mrs. Cecil Porterfield made an interesting talk on "Plans for Department for League as a Whole and Individual Chapters." Mr. A. C. Scott also made a talk, his subject being, "The Spirit of Social Service."

Committees met at 1 o'clock. Mr. Michado talked on "The True Spirit of Social Service." A business session followed and pennants were awarded to: Senior League to Calvert; Intermediate League to Cameron and Junior League to Calvert.

Misses Mildred Bradley and Morine Smith of Calvert made splendid talks on the Jacksonville Assembly.

The Institute was conducted by the President, Miss Billie Bishop of Calvert.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Lustre At Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

WALDEN'S BIG SUMMER SCHOOL

"Puts You On Pay Roll"

In September. Not "pull" or "luck" but Walden's Practical training will take you to the position you desire.

OPENS MONDAY JUNE 6

Great reduction to first 10 enrolled for complete—DIPLOMA COURSE—in Walden's modern, up to date and unexcelled courses in Shorthand, Touch-Typewriting, Secretarial Training, Office Methods, Bookkeeping, Banking, Accounting, Salesmanship and Show Card Writing and the most useful education in Penmanship, Spelling, Arithmetic, Correspondence, Business Papers—of all kinds—Business Methods and Customs. Easy installments if desired.

You select your course, or courses, and we guarantee to GET YOU READY for a BETTER position in three months or less, if you work hard, and do your duty. Hours to suit your convenience.

This training—DAY OR NIGHT—will increase your earning power from 100 per cent to 500 per cent or more, and will OPEN wide the DOOR to future promotions and SUCCESS. See us AT ONCE, or write for Reduced Rates.

BAPTIST CHURCH NEWS

VACATION BIBLE SCHOOL June 20th Through July 1st

Plans are developing quite satisfactorily in our Vacation Bible School. The date has been definitely set to begin June 20th and continue to July 1st. That takes us through two weeks of school days. The Superintendents for the departments have been selected and the teachers have been selected with a few vacancies yet to be filled. There will be a faculty of about 30. Our young people seem to be enthusiastic about the school. The literature is in the hands of the departmental leaders, and every thing is done that should be done at this time.

The Vacation Bible School is a new thing in this church, but from the way our people are taking hold of it, we are looking forward to a successful school.

MISSIONARY GARRETT RESIGNS

Last Sunday afternoon at the First Baptist church, Cameron, the Milam County Baptist Executive Board accepted Brother Garrett's resignation. Brother Garrett offered his resignation at the last regular Board Meeting, but the Board asked him to reconsider the matter for two weeks, with a hope that he would decide to withdraw it, but Brother Garrett stated to the Board that after further consideration and prayer that he was still of the opinion that it is the will of the Lord for him to change his work.

He goes to the First Baptist church at Vernon as Educational Director. We regret very much to lose Brother Garrett and his good wife from our field, but congratulate the Vernon church on their selection of this splendid young couple. His resignation takes effect June 1st.

REVIVAL MEETING May 29th Through June 12th

The time for our Revival will soon be here. One week from next Sunday the meeting starts. Dr. Melton of Waco, one of the most successful pastors of the State, is to do the preaching. We may rightly expect safe, sane Bible preaching. He is not in any way a sensationalist, neither does he try to appeal to curiosity. He believes that "The Bible is the power of God unto Salvation to every one who believes," and he has studied the fine art of preaching the Bible and depending on the Lord to use His word to bring sinners to repentance.

Our regular choir director, Mr. Black, will have charge of the music. Mr. Black has succeeded in these brief months in building up a splendid choir, and we may rightly expect some great gospel singing.

It is hoped that our people will reserve these two weeks to give to the church. Society is so complex now, and every one is pressed to the limit to attend the meetings they are expected to attend, that it is hard to find a time for any thing that will

not conflict with some other meeting, but we have selected the days above as the best days, conflicting as little as possible with other community interests. So we hope that our people will fit into these dates to the best of their ability.

The following have stood a successful examination on the Sunday School book, "What Baptist Believe:"

W. B. Fancher
Mrs. John Denson
Mrs. H. G. Cooper
Miss Tabbie Robinson
Mrs. Lee Heath
Mrs. Wm. Henderson
Mrs. Gus Evans
Grady Cooper

BELL COUNTY WORKER'S CONFERENCE

Brethren Garrett, Black and

pastor had the pleasure of attending the Worker's Conference of Bell county Baptist people last Monday. They had a large attendance and a very fine program. The meeting was closed with a splendid address by Dr. J. C. Hardy. Dr. Hardy always gets his message to the hearts of his audience. "The greatest enemy of the best is not the bad, but the good,"—Dr. Hardy.

B. Y. P. U. ZONE MEETING AT THORNDALE

This meeting will be held Sunday
Afternoon at 3:00 P. M.
Program

3:00 to 3:20—Song Service.
Prayer.
Thorndale Orchestra.
3:20 to 3:40—"The B. Y. P. U. Meeting the Needs of the Church," H. P. Black.
3:40 to 4:00—"How to Enlist in, and Have a Good B. Y. P. U.," Rev. J. H. Garrett.
Solo—Miss Helen Newton.
4:10 to 4:30—"Why Young People Should Train for Service," Rev. A. R. Toby.

All churches and B. Y. P. U.'s. South of Cameron are in this zone. Let every church in the zone send a delegation.

THE STATE OF TEXAS

To the sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publica-

Notice of Application for Letters Estates of Decedents

The State of Texas,
To all persons interested in the Estate of Frank Lehnert, deceased. Richard Lehnert has filed in the county Court of Milam County, an application for the probate of the last will and testament of Frank Lehnert deceased, filed with said application, and for letters testamentary of the estate of said Frank Lehnert, deceased which will be heard at the next Term of said Court, commencing the first Monday in June A. D. 1927, same being the 6th day of June, 1927, at the Court House thereof, in the town of Cameron at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein fail not, but have you then and there before said court this writ with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court, May 16, 1927 A. D. 1927.
Lillian Atkinson,
Clerk County Court, Milam County, Texas.

I ask for and will appreciate

Budweiser Real Hop Malt Syrup

That can't-be-copied flavor of Budweiser Real Hop Malt Syrup is the natural result of four things!

1. Anheuser-Busch uses only the finest hops grown in Bohemia and America!
2. Uses only the pick of America's barleys!
3. Cleans and grades those barleys in a million-dollar plant built especially for that purpose!
4. Blends the hops and barley with the skill of America's foremost maltsters—and backs the finished product with a name that has meant top quality for 70 years!

DR. W. B. CALDWELL
AT THE AGE OF 83

Constipation! How to Keep Bowels Regular

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated men, women, children, and particularly old folks, had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all headaches, biliousness, indigestion and stomach misery, he did not believe that a sickening "purge" or "physic" was necessary.

In Dr. Caldwell's Syrup Pepsin he discovered a laxative which helps to establish natural bowel "regularity" even for those chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it never gripes, sick-

ens, or upsets the system. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.

BANZHAF OLDEST COUNTY AGENT IN COUNTRY IN POINT OF SERVICE

(A. and M. College News)

"The two permanent and fundamental factors that a county agent has to work with are the soil and the people. That is why soil conservation by terracing and boys' club work have been and still are my chief projects. Work done in these lines last over into the next generation," says the oldest county agent in point of years of service in the United States—George Banzhaf of Milam County, who has served continuously in that county for more than nineteen years.

The span of life in Extension Service is said to be only three years, and yet here is one who has watched wave after wave of fresh county agents come and go. Why did he stay on and on? Because he had caught the gleam of an ideal from Dr. Seaman A. Knapp and believed that he could, in his quiet way help bring to his county that "new dawn of a better day" which

permeated the agricultural thought and writing of the early part of the century. How did he manage to stay on? is the persistent question county agents will ask. Some courts are notoriously hostile, and public esteem is fickle. The answer is found in the fact that Mr. Banzhaf has been a plugger, has stuck to fundamentals, and has scrupulously avoided controversy.

Farmers Better Off Now Than Then

"If the same farming methods were used now as were in vogue twenty years ago, farmers would sure be up against it," declared Mr. Banzhaf in a recent interview. "Farmers are today more prosperous, having a higher standard of living, have better homes and more and better machinery. Looking at our work by the year is discouraging, but by comparing conditions now with those of ten or more years ago I find that spread of influence which is so hard to measure in any one year looms up as one of the greatest factors in the work.

Spread of Influence Great

"Take my early corn and cotton work for example. Back in 1908 our farmers thought seed were seed, so I started seventy-five demonstrations with as many men, each one planting three bushels of 'government' cotton seed, and a little Laguna corn seed. I visited each one of these demonstrations every month in a two wheeled sulky or on horseback, starting out Monday morning and returning Saturday night, and boarding around in the meantime. Most of them didn't know what it was all about at first, and some of them were quite suspicious, but curiosity led them into the work. It was the success of these early demonstrations that made the work stick here. I still work with a few of these original demonstrators but on different projects now, for, as I started out to say, the indirect influence of these demonstrations has been so great that for years practically all farmers have recognized the value of good seed and careful cultivation."

Corn Clubs A Success From Start

In 1910, J. L. Quicksall, District Agent, brought the corn club idea to Milam County and Mr. Banzhaf organized a club with a membership of 100. Corn club work was a success right from the start, as an indication of which he recalled that one of the

first annual club fairs had ninety ten car exhibits. A cotton club was added in 1913 and a pig club in 1914.

"It was easier to get corn club members than now," asserted Mr. Banzhaf, "for there were no other distractions and parents seemed to encourage it more then. Still, I should not complain for I have never had less than eighty and never more than 150. These club boys of mine have made good in the world. I think club work has made them better farmers and has taught them farm life can be profitable and satisfying. About seventy-five per cent of them count among the most progressive farmers we have.

When Terracing Was New

"I took up terracing in 1914, as a new-fangled scheme that looked good. It took years of individual terracing to demonstrate that this is a paying practice. I now reach about seventy farms yearly with this work, and estimate that at least six hundred out of our 5,600 farms are terraced. It is impossible to keep up with the demand now. This is a good thing, for we'll be forced to work out a way to terrace faster.

"As to other work, I spend about half my time on miscellaneous calls. The college says I shouldn't, but I haven't yet figured how to get out of it.

Believes in Records and Reports

"County Agents grumble about reports, but they shouldn't. When I started to work I had to send in a report every night. Along about 1912 this changed to weekly reports and in 1921 the monthly report was adopted. We had no annual report until 1914. I consider reports very necessary for they are a part of record keeping and how can you extend the influence of demonstrations without having some start I used records in the newspapers ammunition to shoot? From the very and in holding demonstrations field meetings. Such gatherings were usually fairly well attended and still are."

How The Work Began

The work in Milam County was begun February 1st, 1908, some five years after the first county agent took up his duties in Kaufman County. Business men of Cameron and Rockdale, anxious to combat the boll weevil and improve farming, subscribed \$300 to match a like amount from the U. S. D. A. for paying Mr. Banzhaf \$75 per month for eight months work. He laid off two months in the winter and two in the summer. In a short time the County Commissioners' Court

took over the financing the work and have done so continuously. He was selected as a county agent because of a wide local reputation for being a good farmer.

"The co-operation of both farmers and town people in Milam County has always been very fine and it has been the open mindedness and fairness that has made results possible. Every one here understands what county agent work is, and they regard the job as a permanent one. We ought to accomplish much more in the next few years than in the last nineteen."

Kennon Found Banzhaf

Commenting on the above story, R. W. H. Kennon, city editor of the Lufkin Daily News, takes credit to himself for having "discovered" George Banzhaf and for being responsible for his original appointment as county agent.

At that time Kennon was editor of The Rockdale Reporter and in 1906, according to his own statement, he attended a meeting of business men in Rockdale, called for the purpose of choosing an agent. Kennon suggested Banzhaf as the outstanding farmer of progressive ideas, and the suggestion was adopted and Banzhaf was offered the place which he accepted and has been holding ever since.

The Campus Follies

The Senior Class of '27 will make their farewell appearance in the Yoe High school auditorium Friday evening, May 27. Don't miss this show it is the best one that has been booked for this auditorium for some time.

"The Campus Follies," a minstrel is being staged by the Senior Class and they are supported by a picked chorus from the Blue Bird Choral Club.

You will get your money's worth when you hear Miss Ginger from Jamaica sing the opening chorus and she will be supported by the entire cast in one of the cleverest opening choruses that you have ever heard.

Elton Ledbetter, Garland Beard, Murns Graham, Don Slocomb, Nathan Hine and Arthur Adams are the end men and they will keep you on the edge of your seat during the entire show with a lively assortment of good jokes. Mr. Herman Harlan has found his calling and as soon as he graduates he will go into the show business permanently, he is the interlocutor.

Bethel Middleton, Sue Griffin Webb, Dora Emily Moore and Inez Evans are the soloists selected from the Choral Club. Miss Florence Atkinson the leading soloist and she is also musical director for the show.

Watch the next week's papers for complete program, and do not miss the show.

Corns

Lift Off—No Pain!

Doesn't hurt one bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the foot calluses, without soreness or irritation.

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either. One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 25 cents. At any drug store. (adv)

Firestone Dealers

Have Purchased 100% More GUM-DIPPED TIRES

[This Year Compared With Same Period Last Year]

THE demand from car owners for Gum-Dipped Tires has given Firestone Dealers a large increase in volume enabling them to sell these tires to you at the lowest prices in history.

On the cars of motorists everywhere, these wonderful tires are delivering unheard-of long mileage with greater safety and comfort.

The Firestone Balloon Tread, scientifically designed three years ago, and unchanged today, follows the contour of the tire carcass with no excess rubber at the edges to cause "shoulder breaks". Narrow rider strips permit the tread to yield to depressions and cling to the road, preventing skidding. This tough, pliable tread has the wear-resisting qualities for thousands of extra miles.

OLDFIELD

TIRES

At Low Cash Prices

30x3 Fabric	\$6.95
30x3 1-2 Fabric	\$7.95
30x3 1-2 Cord	\$8.70
29x4.40 Balloon	9.85
32x4 Cord	\$14.80
31x5.25 Balloon	\$16.90
33x6.00 Balloon	\$20.80

Oldfield Tubes Also
Priced Low

Such a tread must be placed on a carcass with the qualifications to withstand the terrific flexing that this design permits. The Firestone carcass is made of cords dipped in a rubber solution which not only saturates and insulates every fiber of every cord, but unifies sidewalls with carcass, avoiding separation under the extreme flexing.

Many Firestone Dealers are prepared to offer you a liberal allowance for your old tires, on a new set of Gum-Dipped Tires to start the motoring season.

To meet a demand for a low price tire and tube, Firestone designed and manufactures, for Firestone Dealers only, Oldfield Tires and Tubes, which carry the Standard Manufacturers' Guarantee.

GAME DEPARTMENT FIGHTS POLLUTION

OIL WELLS THREATEN GAME
RESERVES AND WATER
STREAMS

By J. G. Burr

"You have nothing but rabbits and wrens to protect, why worry about a little oil and salt water," an attorney for an oil company asked the writer. We rejoin that if Pennsylvania estimates its game to be worth \$100,000,000, the time is coming when Texas should make a similar claim. With more than 2,000,000 acres in game preserves loaned to the state, it is evident that land owners believe in the future of Texas game.

The time has passed when the attorney can best earn his wages by seeking loopholes for the evasion of just claims in defiance of the rights of fish and game. Big savings will be found rather in meeting the inevitable in advance of damage suits and penalties.

Oil companies enter a community as the harbingers of wealth, converting waste places into homes of luxury. Every inducement is offered to attract investment, and the faith and practice of oil calls for loyal boosting. For a time it may be said of the oil operator that the earth is his and the fullness thereof. His waste oil and salt water trickle off to the branch. Stock begin to drink the water and die, but the owner is a good sport and, out of consideration for the boom, says little about it. He has made enough out of royalties to lift the mortgage; he rates litigation and so moves his cattle to another pasture for pure water, where they are safe for a while. Well water is hard to get, so he hauls it from elsewhere for domestic uses. He visits the owner of the leases asking for relief and is told to be patient. When patience ceases to be a virtue he goes again to the operator and threatens suit. He is then referred to the at-

torney of the company who resorts to stalls and technicalities and matters drag along.

Next thing, a city water supply is ruined and the populace rises in protest. It is true that oil built the city, some times a tough city, but a little water is still used for bathing and drinking. Fish have been wiped out of an entire stream; nothing but snakes and turtles inhabit its waters, an appeal is made to both Health and Game and Fish Departments. A storm breaks over the heads of the erstwhile benefactors who awaken to the fact that the lease contract did not include unlimited rights to everything above and beneath the surface.

The attorneys visit Austin with an air of innocence, offering to do anything that is right and fair to mend matters. They do not want to be prosecuted by the state without having been given more notice; it would hamper them in making certain adjustments with claimants at home. They knew, of course, that there was a pollution law, and had read much about the damage of oil and salt water to fish, game and livestock, but did not know that conditions would become serious.

It must here be admitted that many oil companies have cheerfully met the demands of the state and cleaned up. They were quick to recognize that the streams of Texas have a value for which money is no substitute.

Others are coming to that point than they know. The State has an investment of over \$150,000 in fish hatcheries with which to stock streams and lakes, which means that oil companies must match that amount, if necessary, to keep the waters clean. The placing of wild game in sanctuaries makes it equally imperative that the streams be not poisoned by pollution.

A number of complaints have been filed against companies in Shackelford and Palo Pinto Counties following a survey by officers of the fish and game department and every section of the state is to be visited and inspected. In the latter county there is a 63,000 acre game preserve watered by crystal streams. Along their banks are oil wells with slush pits ready to burst with the first good rain. In Ioni Creek are fine, young bass, which were placed there last September and which will soon measure 11 inches. Six years ago all the fish of this stream were destroyed when a pipe line broke; survival of the present supply hinges on more careful precautions. Deer, turkey and quail, not to mention the songful choir also depend upon clean water for healthful propagation.

The scenery of Palo Pinto County and portions of Stephens and Eastland is among the marvels of the state. The green splendor of low mountains surrounds one everywhere, and imbedded at their feet are the city lakes of Eastland, Cisco, Mineral Wells and many others. Points of special scenic beauty in Palo Pinto County are "Lovers' Retreat" on Eagle Creek and "Inspiration Point" on the Brazos.

The surface covered with glory and with oil riches beneath, man may build his paradise in these hills with every incentive to right thinking and clean practices in the production of petroleum. The clean-up mentioned in the above counties is the hop-off of pollution law enforcement, and it's going to be a non-stop trip there and elsewhere until the goal of law observance is reached.

Summerlin-Caughron

The charming bride of Sunday morning was Miss Ruth Summerlin who plighted her marriage vows to Walter Eugene Caughron at the home of her parents, Mr. and Mrs. G. S. Summerlin of Thorndale. Rev. O. M. Bean, pastor of the Thorndale Baptist church read the ritual.

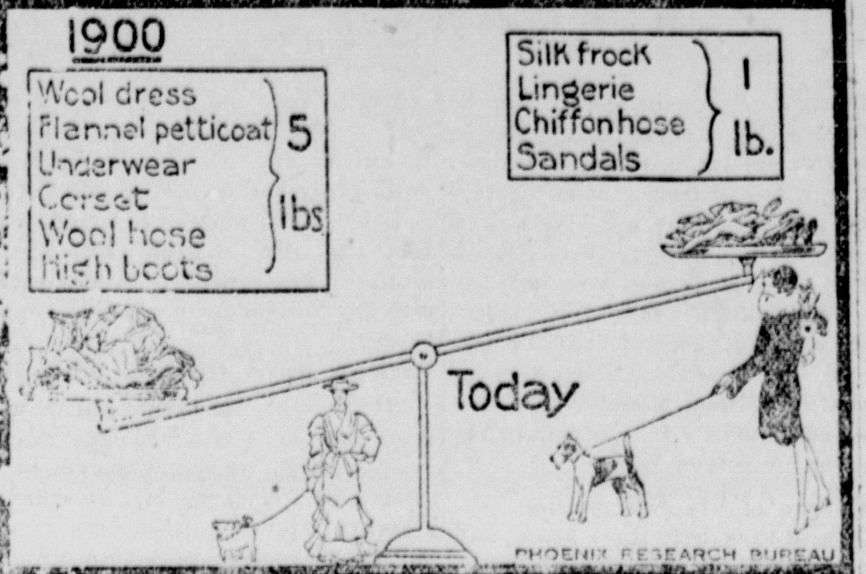

Special music was furnished by the sisters of the bride. Mrs. E. B. Christian of Goose Creek sang, "My Song of Love," Albers; with violin obligato. Mrs. Smith Summerlin played a violin solo, "I Love You Truly." The accompaniments were played by Mrs. Lyndle D. Barnes, who also played the wedding march.

A rarely beautiful setting was provided for the event, one end of the living room was banked with ferns a profusion of cut flowers and two large floor baskets filled with pink gladioli and fern were on either side of the altar. A soft radiance was cast over the rooms from the tall tapers burning from the midst of the fern embankment, lending a very beautiful picture.

To the soft strains of the familiar bridal chorus from Lohengrin the matron of honor, the bride's sister, Mrs. Homer K. Spillar of Austin, entered alone, wearing a gown of peach chiffon voile made with tight bodice and bouffant skirt, a large picture hat and peach colored slippers. She carried an arm bouquet of pale pink carnations and fern tied with pink tulle.

The maid of honor, also the bride's

One Lb. of Silk Clothes Women

sister, Miss Elkanah Summerlin, followed, wearing a period frock of peach colored silk voile. She wore a picture hat of white and white slippers and carried an arm bouquet of carnations and fern.

Little Miss Lucy Dail Christian of Goose Creek niece of the bride, dressed in a fairy like costume of blue trimmed in tiny pink rosebuds with pink hat, scattered spring blossoms in the pathway of the bride.

The bride, with her father entered in an exquisite frock, expression of the spirit of youth in a two-piece model of Athene Rose of georgette with tucked and accordion pleated underdress covered by a heavily fringed and embroidered cape. Her hat was of rose colored hair braid trimmed with harmonizing flowers, and wearing to complete the costume pastel parchment slippers. She carried a hand bouquet of sweet peas and fern entwined with lace and ribbon. As the bride approached the altar she was met by the groom, attended by his best man, Smith Summerlin, brother of the bride, when the sacred ring service was read.

During the ceremony, "The Flower Song" with violin and piano was softly played.

Mrs. Summerlin, mother of the bride wore a gown of soft rose georgette, and Mrs. Caughron, the groom's mother was in handsome black satin. Both had color touches given by white carnations.

Mr. and Mrs. Caughron left immediately for their future home in Dallas, Texas, the bride traveling in a smart frock of sandal georgette crepe with a vest and collar of real lace and modest cloche hat and shoes in matching tones.

The bride is the youngest daughter of Mr. and Mrs. G. S. Summerlin, a pioneer and highly esteemed family of this county. She is a graduate of the Thorndale High School of the class of 1923, and a young lady possessing endearing graces of mind and body. Since finishing school she has won the love and esteem of many friends as a saleslady in the dress-goods department of her father's general store here by her unselfish devotion to that rare ability which she possesses of being pleasant and agreeable with all with whom she came in contact in the course of her duties in the store. She is a favorite among a wide circle of friends and a capital prize of a fine young man who has won her heart and hand in wedlock.

The groom is a fine young man, a son of Mr. and Mrs. T. W. Caughron of Taylor and well known to our readers, he having served as manager of Taegel's, Inc., just prior to going to Dallas about two years ago where he now has a good position with a dry goods firm in that city. He is ambitious and capable, and fully deserving of the splendid prize he has won as a life companion. The publishers of the Champion congratulate the twain which now becomes one and wishes for them a bon voyage on the sea of matrimony.

Guests for the wedding were only close relatives.

Out of town guests for the Summerlin-Caughron wedding were: Mr. and Mrs. T. W. Caughron, Mr. and Mrs. Fred Heup, Mrs. C. J. Engdahl and daughter, Mr. and Mrs. Peyton Compton, Mr. and Mrs. E. L. Dance, of Taylor; Mr. and Mrs. Frank Summerlin of Valley Junction; Mr. and Mrs. Homer Spillar and children of Austin; King G. Fulton of San Antonio.—Thorndale Champion.

Women Cut Down Clothes As They Reduce In Weight

Not satisfied with reducing her own weight down to the fewest possible number of pounds, Miss America has cut down wearing apparel, until in most cases it tips the scales at a scant solitary pound, says the Phoenix Research Bureau.

This is a startling contrast to her mother's wardrobe in 1900, when it took five pounds of well distributed wool, linen, cotton, steel, whalebone and leather to outfit her for public appearance.

There was the cloth dress lined, braided, ruffled and gored, consuming up to ten yards of heavy wool material; there was one or more flannel; flannel petticoats innumerable starched undergarments, a steel-ribbed corset weighing fully a pound, heavy wool or cotton hose, and a pair of high lace or button boots, which all totaled well up to five pounds.

In contrast, the 1927 girl distributes her sixteen ounces of raiment over two or at the most, three silk garments, a pair of sheer chiffon hose, and feather-weight satin or kid slippers. This last item weighs about ten ounces; georgette or crepe de chine frock adds three and a half ounces; the present day substitute for red flannels gives an additional two ounces, while gossamer chiffon hose of just the right hue to perfect the costume are only an extra half ounce to carry about with her.

When heavy outer garments are worn in cold weather, this type of clothing is regarded by hygienists as the most healthful fashion ever adopted by women because it admits more sunlight and air and permits greater freedom of movement.

Announcing— another Chevrolet Achievement

The Most Beautiful Chevrolet
in Chevrolet History

The Imperial Landau

**Specially-Built Fisher Body — Strikingly
Beautiful Duco Colors—Elegantly Appointed
—The Aristocrat of All Chevrolets**

Again Chevrolet revolutionizes every previous conception of quality and elegance in a low-priced automobile by presenting the Imperial Landau—a new model whose distinction and smartness entitle it to comparison with the costliest custom-built cars.

Its specially-built Fisher body reveals all the masterly craftsmanship for which the Fisher name is famous. The finish is lustrous black Duco, with embellishments of brilliant chasseur red.

With oblong windows—with nicked windshield rim and landau bows—with vaulted roof, and with top and rear

quarter in mouse gray textile leather, this aristocrat of all Chevrolets is one of the most strikingly beautiful cars to be seen on the streets and highways.

And, of course, it has all the power, speed and smoothness—all the flashing acceleration, finger-tip steering and unflinching dependability that have brought to Chevrolet such world-wide fame.

This beautiful car is now on display in our showroom. Come and see it. You will be delighted to learn that a car so low in price provides such commanding individuality and style!

Second Liberty Loan Bonds To Be Paid Or Exchanged

Washington, D. C., May 9—Secretary Mellon has called for payment on November 15, 1927 all outstanding Second Liberty Loan bonds. Interest on these bonds will cease on November 15, 1927. Approximately \$1,700,000,000 of these bonds are now outstanding.

While the bonds will be paid on November 15, 1927, it is quite probable that during the next six months the Treasury will extend to the holders of the Second Liberty Loan bonds an opportunity to exchange them for other Government securities. No announcement has as yet been made as to the type of the security to be offered in exchange, or the date on which the exchange offer may be expected. The treasury explains that the terms of the bonds require that a notice be given to the public six months in advance of the redemption date. The Secretary's announcement therefore, does not mean that the bonds will be paid at the present time, but merely places the holders on notice that their bonds will be redeemed on November 15, and will cease to bear interest on that date.

If holders of Second Liberties desire to have their bonds redeemed, they should present them for payment on November 15, 1927, but if they desire other Government obligations in place of their Seconds, they should watch for further announcements and notify their bank to keep them informed of any exchange offering that may later be made by the Treasury.

In 1917 and 1918 it will be recalled, when the Government was selling bonds for the several Liberty Loans, a nation-wide campaign was conducted, every available facility being used to reach the public and sell the bonds. The situation is now practically reversed, and the Government

is preparing to redeem or exchange some of these bonds. While no such elaborate canvass is contemplated for the redemption notice as was undertaken in 1917, the Treasury nevertheless is making a special effort to inform the holders of Second Liberty Loan bonds that their bonds will cease to bear interest on November 15th. Banks and trust companies throughout the country will be asked to co-operate with the Government in spreading the news of this call for redemption, and in advising the holders of bonds that the Treasury will probably offer new securities in exchange. For the first time the radio will be used by the Government as a means of reaching millions of bond holders. An announcement will shortly be broadcast from the larger radio stations of the country.

The importance of acquainting bondholders with the fact that their bonds have been called for payment is emphasized by the Treasury's records of previous calls for redemption or exchange. These records show that there are still outstanding at the present time, in the hands of the public about \$30,000,000 in Government securities upon which interest has ceased. Included in this amount are \$3,600,000 in Victory notes which ceased to bear interest in 1922 and 1923. There are also outstanding \$14,500,000 in temporary bonds of the several Liberty Loans, to which were attached only a limited number of interest coupons. The last coupons matured some seven years ago. The holders of these temporary bonds have neglected to exchange them for permanent bonds having the full number of interest coupons attached, and until such exchange is made they have no means of collecting the interest. In the face of these facts, the Treasury is especially anxious that the present announcement reach as many Second Liberty Loan bondholders as it is possible to reach through the press, the radio, and the banks of the country.

The Second Liberty Loan, which was issued in November, 1917, was the second large loan floated by the Government during the World War, and while this loan does not mature until 1942, the condition of the money market and of the Government's finances makes it possible and advisable to call the bonds for redemption in November.

Set New Record

Spurred on by the greatest demand in its history, Chevrolet in April again set up a new production record with a total output for the month of 11,937 units. This exceeds by 4,037 units the best previous monthly performance in the history of the company and establishes an all-time record for the monthly production of gearshift cars. Equally as spectacular as the remarkable monthly production feat and dividing the spotlight with it was the mark established April 29, when in the short space of a day's working hours, the factories built 5,347 Chevrolet cars and trucks. This was 272 units in excess of the best previous day's record.

It was particularly fitting that the record day happened to be the same one that Alfred P. Sloan, Jr., president of the General Motors Corporation, chose for a visit to the Flint plant. Mr. Sloan, with C. S. Mott, vice president of the General Motors Corporation, arrived at the factory early in the day as guests of W. S. Knudsen, president and C. F. Barth, vice president of the Chevrolet Motor Company.

Before Mr. Sloan had completed his inspection of the big Flint plant, where men and machinery were combined to build the eight types of Chevrolet cars now available, it was evident that a new production record was in sight.

Mr. Sloan waited for number 5,347 to come off the line, congratulated

Mr. Knudsen on the remarkable showing made by the Chevrolet Motor Company and its product and rode off the line in the epoch marking model which again happened to be a coach.

Delightful House Party

Miss Sallie Coleman, popular senior at Baylor University, entertained eight Baylor co-eds with an elaborate house party at the home of her parents, Mr. and Mrs. J. W. Coleman last week end.

The moment the visitors arrived until the time came for their departure to Baylor, a continuous round of entertainment was in progress.

A chicken dinner, buffet style, was served Friday evening at Miss Coleman's home. Following, the Cameron Country Club entertained the visitors with a dance. Saturday morning a

tour of the town and neighboring section was in order. Saturday afternoon the Baylor girls were guests of honor at an informal seated tea. Saturday evening, Miss Frances Looney, ex-Baylor student, entertained with a chicken supper on the lake near Ben Arnold.

Guests were Misses Elizabeth Moncrief of Dallas; Ruth Blakeney of Midland, Grace Long, Jimmie Ballard, Emy Bittner Clara Brannon and Helen Pyron and Frances Looney of Ben Arnold.

C. C. Bandy entered a plea of guilty to a charge of petty swindling and was fined \$1.00 today.

Miss Minnie Mills of Rockdale was adjudged insane in county court and was conveyed to the state hospital at Rusk by Sheriff Blaylock.

Santa Fe Economy Increases Capacity—Decreases Costs

Operating results on the Santa Fe for the year 1926 show, on the whole, substantial improvement over the year 1920 following Government control.

Revenue tons per train mile increased in 1926 to 709.70 tons from 569.21 in 1920.

Average daily movement per freight car increased to 37.01 miles from 31.56 miles.

Average revenue per ton mile of freight decreased to 1.203 cents from 1.316 cents.

Two Items of Economy in Operation Deserve Particular Attention:

FIRST is reduction of "loss and damage" freight.

In the year 1920 this totaled \$2,817,596; in 1926, \$1,350,429. If the rate of loss and damage in 1926 had been the same as in 1920 the total would have been \$3,298,302, or 2.44 times as much as was the case. Loss and damage meetings devoted to careful study and instruction, the co-operation of all classes of employees handling freight, and better packing, marking and general co-operation by shippers have accomplished this saving.

SECOND is conservation of fuel.

In 1920 locomotive fuel cost the Santa Fe \$28,372,475; in 1926 the cost was \$22,604,116.

In 1920 the Santa Fe used 185 lbs. of fuel to move 1000 gross tons, excluding the locomotive, one mile in road service, and in 1926 it used 133 lbs., a saving of 52 lbs., or 28.11%.

In 1920 it used 16.4 lbs. to move a passenger car one mile, and in 1926 it used 13.6 lbs., the saving being 2.8 lbs., or 17.07%.

The total fuel saving for the year 1926 is equivalent to 1,756,180 tons, costing \$7,744,754 at 1926 prices.

This conservation of fuel has been accomplished by a carefully worked out policy of

1. Lengthening locomotive runs, so less fuel is used in firing up and less time lost in cooling locomotives.
2. Reducing train delays.
3. Larger locomotives, bigger trains, and heavier carloads in which shippers have rendered very valuable aid.
4. Using the best fuel saving devices.
5. Morescientific firing and handling of locomotives and trains by the men.

We Ask Your Continued Assistance in Meeting These Transportation Problems.

And we promise you our best efforts to render steadily improved service, although the Full Crew and Train Limit laws in some states limit greatly our possibilities for further economies.

NEW SIX CYLINDER DODGE CAR COMING

SAPP MOTOR COMPANY ANNOUNCES NEW CAR BY JUNE FIRST

Pope Sapp of the Sapp Motor Company says that Dodge Brothers have begun the production of six cylinder automobiles and will have the models in distribution in early June.

The following announcement has been received from the factory:

Dodge Brothers, Inc., has started production of its new six cylinder line and output is now running at about 100 per day. This number will be increased rapidly and by the end of June daily output will approximate 300.

The first shipments to dealers were made May 11 and by the end of this month all of Dodge Brothers dealers will have a sample. The company now has orders for the "sixes" sufficient to keep the immense new plant operating at 300 per day for several months.

The new line will be produced in three models, a four door sedan, a four passenger coupe and a new type of cabriolet roadster. Other models will be made later. It is expected that the new line will be introduced about June 1.

The company has found it necessary to step up production of its four cylinder line twice in ten days to keep shipments abreast of the orders which have been placed since announcement of the new four cylinder motor and standard gear shift was made on May 1.

During the first week after the new motor was introduced orders for cars valued at \$5,500,000 were received. These were in addition to regular contractual allotments.

All of the Dodge Brothers factories are now operating at the highest levels of the year and it is expected that still further increases in operations will be necessary.

Graham Brothers April retail sales in the United States and foreign shipments totaled 5600 units. Overseas shipments last month totaled 1084, an increase of 188 per cent over

March and the second highest month in Graham Brothers history. In Canada Graham Brothers April sales broke all previous records.

Overseas shipments of Dodge Brothers cars established a new high record in the company's history on May 5.

S. S. Entertainment

Mrs. F. J. Beckerman was hostess to her Sunday School Class of 12 year old girls last Monday afternoon at 6 o'clock at her home. Games and music were enjoyed on the lawn. Every one had a good time.

The hostess, assisted by her daughter, Miss Lily Kate Beckerman, served sandwiches, potato chips, stuffed eggs, ice tea, cream and cake.

The girls were taken for a ride by their delightful hostess and teacher. As a token of love for her the class presented Mrs. Beckerman a beautiful handkerchief and corsage to match.

A GREAT DAY AT WALKER'S CREEK CHURCH

Hands were clasped, friends were met and words of love and good cheer, all had their places in the hearts and minds of perhaps the greatest crowd gathered together for the same purpose at Walker's Creek in years. People came early and spent the whole day in fellowship and prayer. The Baylor Volunteer Band rendered several good addresses which found their lodging in the hearts of receptive hearts.

A few of the names and addresses of the visitors will be mentioned. Many of the names were not gotten so all present cannot be mentioned. Those from Cameron were: Mr. and Mrs. J. D. Dobbins, Mr. and Mrs. Harve Dobbins, Mrs. Starrett Dobbins, Mrs. J. B. Collier and daughters, Mr. and Mrs. Preston Graves, Mrs. Dan Gunn and daughter Corneia, Mr. and Mrs. John Hause and daughter Frances, Mr. and Mrs. Tom Randolph and daughter Lois, Katherine Leath, Rev. Garrett and wife, Mrs. Mitchell, Mr. and Mrs. John Clenney, Don and Robert Lee Barrett, Mr. and Mrs. Shepherd and Mr. Bob Todd.

Travis: Mr. and Mrs. Starrett Hickman and Miss Lowe Ratliff.

Little River: Rev. Lemons and wife, Mr. Enoch Harper, Mr. and Mrs. Will Harper, Mr. and Mrs. Heinze and family, Bailey Wiley and Mary Eleanor Johns.

Ben Arnold: Mr. and Mrs. Reese Henderson and Mr. Rice.

Yarrelton: Mr. and Mrs. Willard Chapman.

Maysfield: Marienia Thweatt.

Hearne: Mr. and Mrs. Blackstone.

Waco: The pastor, his mother, sister and brother from Eastland, Miss

Ione Hendricks, Mrs. McMorly, Mr. and Mrs. McCall and eight people from Baylor University, Oklahoma, Mr. Lynn Harper, Dawell Harper and Guy Harper.

The pastor wishes to thank all who came and invites all to come again.

BLACK ACES AT WAYSIDE

The New Orleans Black Aces will play at Wayside Inn on Friday night. This orchestra has played here several times before and has always been a favorite with the crowd.

The two dances on last week drew large crowds and were better than any dances of the season. This popular dance pavilion is continuing to grow in popularity.

Fred Kohnke of Houston visited his brother in law Frank Torno last week.

Herbert Maddox Here On Visit From New York; Gone 18 Years

Herbert Maddox, son of H. N. Maddox, is here on a visit from his home in New York. He has been absent from Cameron for 18 years and has two sisters he has not seen.

Many changes have come to Cameron and the countryside since he went away to the east 18 years ago. Mr. Maddox was in the city early this week to greet his many old friends here.

Women don't play ball because the players are too far apart to talk.

Renew Your Health by Purification

"Any physician will tell you that 'Perfect Purification of the System is Nature's Foundation of Perfect Health.' Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs,—once or twice a week for several weeks,—and see how Nature rewards you with health.

Calotabs are the greatest of all system purifiers. Get a family package, containing full directions. Only 15 cts. At any drug store. (Adv.)

Community Vacation Bible School June 1-17

The Vacation Bible School plan amounts to "putting two and two together,"—young people's vacation time plus young people's interest in joyful occupation.

The idea has been so effectively put into action for a number of years, in many communities in the United States, that Cameron is profiting by the experience of others.

The short term of a little more than two weeks here, will consist of a three hour session on each school day, from eight to eleven in the morning, with a faculty made up of consecrated volunteer teachers, a number of whom are giving of their much needed vacation time, for the good of our children.

An educational schedule for each day is most carefully planned for the three-fold development of students, ranging from kindergarten through junior high.

This forward movement in Cameron is fostered by the Federation of Missionary Societies, and is in charge of a committee under the faithful and efficient leadership of Mrs. Leland Green.

That Mrs. W. O. Triggs is Superintendent assures us of the high standard of the vacation school.

The school will be held in the Ada Henderson school building.

Next week's papers will give further information in which the young people and their parents will be interested.

Visits Old Home

J. H. Smith of New Kirk, Oklahoma, is in Cameron this week to visit with his brother Jesse Smith. He has been away for 27 years and finds many changes in the country. He was reared in the South Elm community.

Mr. Smith went to Oklahoma 27 years ago and filed on some of the government land. He is a machinist and blacksmith and has a fine business. His many friends here will be glad to learn of his visit and will greet him.

St. Rita's Circle

The St. Rita's Circle met with Mrs. Billie Mack last Thursday afternoon. A short business session was held, presided over by the president, Miss Rose Rischard.

Plans were completed for the play, "Deacon Dubbs," sponsored by St. Rita's Circle, which was presented at the Knights of Columbus Hall Monday night.

Mr. and Mrs. B. P. Matecha went to Waco Tuesday afternoon.

Minerva Graduates In Program For Closing

Graduation exercises were held for the seventh grade of the Minerva Public School May 16th. Mrs. Kathryn Robbins delivered an address and presented the diplomas. She talked on "Success".

Miss Pearl Corley is principal and Ethel Guthrie and Doreen Orr are the assistants.

The following program was rendered:

Invocation, Mr. O. J. Ballew. Salutory, Lola Nichols. Machine of Prophecy, Bessie Manley.

Class Will, Bernice Baylor. Class Key, Ervin Jenkins. Song, Class.

Class Creed, Rufus McCollum. The Joy of School Life, Maud Crain.

Piano Solo, Miss Guthrie. Parting charge to the Sixth Grade, J. T. Edwards.

Our Bonnie Graduates, Miss Mary Frances Robinson.

The Country School, Andrew Jenkins.

An Appreciation, Cleatis Northcott. A parting Tribute, Carelton Trotter. Song, Class.

Valedictory, Hugh Lucas. Presentation of Diplomas, Mrs. Kathryn Robbins.

Benediction J. C. Wallace.

Claude Shipp of Burnett is here at the bedside of his twin brother, Clyde Shipp, who is quite ill.

B. R. Goldberg of Waco was in Cameron on business Wednesday.

Mrs. Scroggins of Rogers visited in the home of Mrs. Clyde Shipp Sunday.

Mrs. Harry Gilmore is in the Temple Sanitarium for treatment.

666 is a Prescription for Malaria, Chills and Fever, Dengue or Bilious Fever. It kills the germs. 53-20c

NOTICE IN PROBATE

The State of Texas

To the Sheriff or any constable of Milam County—Greeting:

You are hereby commanded to cause to be published once each week for a period of three successive weeks before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

The State of Texas

To all persons interested in the welfare of Anton Wokaty, a person of unsound mind:

Mrs. Maggie Wokaty, guardian, has filed in the County Court of Milam County, on the 6th day of January, 1927, her final account as guardian of the person and estate of said Anton Wokaty, and her application for discharge of such guardian, which said account and application will be heard by said Court at the next regular term thereof, to be begun on the 6th day of June, 1927, at the Court House of said County, in Cameron at which time all persons interested in the welfare of said Anton Wokaty are required to appear and answer said application and contest said account, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron, this 5th day of May, 1927.

LILIAN ATKINSON, Clerk, County Court, Milam Co., Tex.

NOTICE

There will be a meeting of the Eastern Star on Tuesday night at 8 p. m. for the election of officers for the ensuing year. All members are asked to be present.

Judge W. G. Gillis left Wednesday afternoon from Milano to attend the General Presbyterian Assembly which meets in Eldorado, Arkansas.

Mrs. M. M. Kirk was carried to the Temple Sanitarium for treatment.

\$ Do you want to earn \$ \$350 This Summer \$

If so, spend the next few months in Tyler Commercial College and add to your 1927 earning and savings. By beginning your course now, you will graduate ten or fifteen weeks sooner than you will by waiting until fall. Counting a meager salary of \$25 a week, you will really make your summer months pay you from \$250 to \$375.

So don't waste the golden opportunities the next few months will bring you. Make your plans to enroll NOW and we can place you in a good position this fall. The boom times this fall will bring plenty of positions for all who have the foresight to train NOW.

Send for the large book, "Achieving Success in Business." It will help you; it's FREE.

HOPELESS

Weak, Thin, Nervous
Woman Gets Strong,
Gains Weight.

Mrs. L. N. Crawford, Jr., of Logansport, La., writes:

"I felt perfectly hopeless.

"Life wasn't worth living, it seemed. I felt like giving up but, you know, a woman with a family just can't do that. I was weak, thin and nervous.

"I tried so many things but didn't get better. Finally I asked my husband to get me some Cardui.

After I had taken three bottles, I was like a new person.

"I gradually resumed my work around the house and went places. I quit suffering. Now I am strong, in good weight, and feel fine."

Thousands of women have been helped by Cardui, in a similar way, in the last 45 years.

CARDUI

A Vegetable Tonic

NAUSEA

This and Other Troubles
Relieved By Black-Draught.

Mrs. Ada Blackmar, of Alexander City, Ala., writes:

"From time to time, I would have spells of nausea . . . which would put me to bed. I would turn a dull, yellow color and, for days at a time, would have no appetite. Everything I ate sickened me.

"My mother had been a user of Black-Draught for years, so while I was at home, visiting, she asked me why I did not try Black-Draught for my troubles.

"I began taking a small dose, three times a day, before meals. I kept this up for several weeks, and it was just a little while before I began to notice an improvement in my condition.

"Black-Draught is certainly a fine medicine."

You will say the same thing, once you have tried Theford's Black-Draught.

For sale everywhere. 25c.
